

Ancestry.com School Yearbook Submission Program

TERMS AND CONDITIONS

Ancestry.com is compiling a nationwide collection of school yearbooks starting from the time yearbooks began, to the present. These yearbooks are indexed and published online. Thus, yearbook images will be made available on our websites.

Note:

- *The main purpose of this program is to collect yearbooks and histories from institutions such as schools and libraries, however, individuals with collections are welcome to participate also, with the following Terms and Conditions.*

RESPONSIBILITIES OF THE SOCIETY OR HOST ORGANIZATION:

Those wishing to donate yearbooks please note:

- These yearbooks are received as a donation and no compensation will be provided
- Ancestry will not cover shipping costs of the yearbook collection
- These books will be cut for scanning and will not be returned
- Ancestry makes no commitment as to the timeline for posting of donated yearbooks.

Ancestry will accept all yearbook donations; however, yearbooks printed after 1963 with a copyright notice (© or other variation) and those printed after 1977 will require a signed agreement from the copyright owner or from one in authority to grant online publishing rights.

Donation Agreement (Donor must complete and sign this box):

I hereby claim, to the best of my knowledge and efforts to verify, that each of the yearbooks hereby individually identified on the reverse side are: a) not bound by copyright restrictions, or b) the copyright is held by the donor, or c) the copyright holder grants written permission to Ancestry.com the rights to publish and display in electronic format for the use of, and by, its members.

Submission forms and donations should be mailed to:

Ancestry Yearbooks Submission, 1300 W. Traverse Parkway, Lehi, UT 84043

If you have questions please email them to content@ancestry.com.
