How does it work?

Moon Bitcoin works very simply. All you need to do is visit the website, sign in with your email address, and start claiming your rewards. You can claim as often as you like, but the longer you wait between claims, the more you will get. The amount of bitcoins you receive depends on the current bitcoin price and the average claim amount. You can also boost your earnings by completing offers, surveys, tasks, or watching videos from various providers.

What are the benefits?

Moon Bitcoin has many benefits for its users. Some of them are:

- It is free and easy to use. You don't need any investment or technical skills to start earning bitcoins.
- It is fast and secure. You can withdraw your earnings instantly to your bitcoin wallet or use them to purchase Moon Visa® Prepaid Cards that can be used at millions of online retailers.
- It is fun and rewarding. You can enjoy various games, such as dice, crash, limbo, plinko, and roulette, and win big prizes. You can also participate in the weekly lottery and win up to \$200 in bitcoins.
- It is transparent and fair. You can see all the details of your transactions, such as date, time, amount, and status. You can also check the statistics of the faucet, such as total users, claims, payouts, and referrals.

How to download Moon Bitcoin?

Downloading Moon Bitcoin is very easy and quick. Just follow these steps:

Step 1: Create a wallet at Coinpot

Coinpot is a microwallet service that allows you to store and manage your faucet earnings. You need a Coinpot account to use Moon Bitcoin. To create one, go to Coinpot.co and click on "Register". Enter your email address and password and agree to the terms of service. Then click on "Register" again. You will receive a confirmation email with a link to activate your account.

Step 2: Register at Moon Bitcoin website

Once you have created your Coinpot account, go to Moonbitcoin.cloud and click on "Sign up". Enter your Coinpot email address and click on "Sign up" again. You will be redirected to the faucet page where you can start claiming your rewards.

Step 3: Sign in and start earning

To sign in to Moon Bitcoin, go to Moonbitcoin.cloud and click on "Sign in". Enter your Coinpot email address and click on "Sign in" again. You will see your dashboard where you can view your balance, claim history, bonuses, referrals, and settings. To claim your rewards, scroll down and click on the big blue button that says "Claim now". You will have to solve a captcha or a shortlink to verify that you are human. Then you will see a message that says "Success! You have claimed X satoshi". You can repeat this process every five minutes or so.

How to withdraw your earnings?

Withdrawing your earnings from Moon Bitcoin is also very easy and quick. Just follow these steps:

Step 1: Check your balance and minimum threshold

To check your balance, go to your dashboard and look at the top right corner where it says "Your balance". You will see how much bitcoins you have in your Coinpot account. To withdraw your earnings, you need to have at least 0.0001 BTC (10,000 satoshi) in your account. This is the minimum threshold for withdrawal.

Step 2: Choose your withdrawal method

To choose your withdrawal method, go to your dashboard and click on the "Withdraw" button. You will see two options: direct withdrawal and Moon Visa® Prepaid Card. Direct withdrawal means that you can send your bitcoins to any bitcoin address of your choice. Moon Visa® Prepaid Card means that you can use your bitcoins to buy a prepaid card that can be used at millions of online retailers. Choose the option that suits you best and follow the instructions.

Step 3: Confirm and receive your bitcoins

To confirm your withdrawal, you will need to enter your password and click on the "Confirm" button. You will also receive a confirmation email with a link to verify your withdrawal request. Once you do that, you will see a message that says "Your withdrawal request has been processed". Depending on

the method you chose, you will receive your bitcoins within 24 hours or less.

Conclusion

Moon Bitcoin is a great way to earn free bitcoins by completing simple tasks. It is free, easy, fast, secure, fun, and rewarding. All you need to do is download Moon Bitcoin, sign in with your Coinpot email address, and start claiming your rewards every five minutes or so. You can also increase your earnings by taking advantage of various bonuses, offers, games, and lottery. You can withdraw your earnings instantly to your bitcoin wallet or use them to purchase Moon Visa® Prepaid Cards that can be used at millions of online retailers. So what are you waiting for? Download Moon Bitcoin today and join the bitcoin revolution!
