Bad Business codes (April 2023) – How to get free skins, CR & charms in Roblox

**Bad Business codes can reward everything from free skins to CR, and even charms that otherwise would cost money to own — and as of April 2023, there are a good number of codes available to help you prepare for battle.**

Bad Business is a sleek and aggressive shooter that's set against a cold, corporate backdrop by Team Rudimentality in Roblox. Utilizing codes in Bad Business can be used to get free, colorful items that help to break away from the intentional monotony of the game's standard designs.

If you want to build up your collection and look cool as you take on the rest of the world in head-to-head armed combat, then take a look at these Bad Business codes to get a head start on the competition.

## How to redeem Bad Business codes in Roblox

The process for activating your codes is simple and only takes a few minutes to complete.

All you need to do is launch the game and find the icon that looks like a wrapped gift and enter your codes inside that menu.

Subscribe to our newsletter for the latest updates on Esports, Gaming and more.

In order to do that, just follow these steps:

- Proceed to the official Bad Business page and **click the large green button** to launch the game.
- Once in-game, at the middle-bottom of your screen, you'll find a **gift-shaped icon**.
- Select that and a **window will appear** where you can enter the codes.
- Copy and paste any of the codes from the table above and press '**REDEEM**' when you're done.
- That's it! Your code will now be redeemed.

Any item collected this way will go right into your inventory and you can use it right away.
