Continue

5th September, 2022: We added a new code! Bad Business is Roblox's answer to Call Of Duty. It is an FPS that can be played using many weapons available, and you can customise these weapons to make them your own. Any Bad Business codes tend to give away charms to adorn your weapons with. They can also provide stickers, ornaments and CR. The developers of Bad Business, Team Rudimentality, provide new codes during holiday seasons, or when new milestones are passed with total users or likes. There is no actual schedule for these codes coming out so we recommend that you keep checking this page for new ones!
