4. Plan for Making Covered Health Care Services Available		

<p>All Service Area Counties 28 TAC §11.1607(j)(4)</p>	<p>When an in-network provider is not available within the TDI mileage access standards or the member is outside the service area, DentiCare will ensure that the covered person obtains the covered benefit at no greater cost to the covered person than if the benefit were obtained from participating providers, or shall make other arrangements acceptable to the state insurance commissioner. In the event distance is reported as a barrier to a member seeking covered dental services, the Plan will take one of the following actions:</p> <ol style="list-style-type: none"> 1. Attempt to negotiate a reimbursement arrangement for covered services with non-participating licensed general dentists or licensed specialty dentists, as the case may be, located within the prescribed mileage radii, less any applicable co-payments. If such attempt to recruit said dentists fails, then Humana Specialty Benefits shall enter into an agreement with the dentist on a 100% fee-for-service basis, less the applicable co-payment. 2. Reimburse the enrollee for covered service provided by a non-participating general dentist or specialty dentist, less the applicable co-payments
