

## HERITAGE SOFTAIL® CLASSIC HANDLEBAR – 56623-99A (CHROME)

HERITAGE SOFTAIL CLASSIC HANDLEBAR – CHROME

### HERITAGE SOFTAIL® CLASSIC HANDLEBAR

This chrome-plated bar is 1.25" narrower, 2.0" taller, and features 2.0" less pullback than the Original Equipment '09-later FLSTC Heritage Softail® Classic bar. This bar is also a direct replacement for the stainless steel handlebar P/N 56569-86 featured as Original Equipment on '86-'08 FLSTC models.

**56623-99A** Chrome.

Fits '86-later FLSTC models. '09-later FLSTC models require separate purchase of cables and brake lines.

NOTE: Installation of handlebars and risers may require a change in clutch cables or lines, throttle cables, or brake lines for some models. All modular lower brake lines listed are based on stock front suspension. Harley-Davidson Motor Company cannot test and make specific fitment recommendations concerning every possible mirror and handlebar combination. Therefore, after installing new mirrors, handlebars, or control cables/lines and before operating the motorcycle, check to ensure that all controls are fully functional and that the mirrors provide the operator a clear view to the rear. Handlebar height is regulated in many areas. Check local laws before installation.

## HOLLYWOOD HANDLEBAR – 55800579 (GLOSS BLACK)

HOLLYWOOD HANDLEBAR – GLOSS BLACK

### HOLLYWOOD HANDLEBAR

Original Equipment on the Softail Slim® model, this traditional Hollywood-styled handlebar combines the laid-back riding attitude of the '40s with a shape that's perfect for today's new school stripped-down bobbers. With its limited rise, narrow profile and gentle pull back shape, this bar captures the look of a classic bar without the wide beach bar riding position.

**55800579** Gloss Black.

Fits '10-later XL1200X, '06-later FXDB, '10-later FXDWG, '00-later FLSTC, FLSTF, FLSTFB, and FLSTFBS, '08-later FLSTN and '15-later FLRT models. Requires separate purchase of additional installation components.

NOTE: Installation of handlebars and risers may require a change in clutch cables or lines, throttle cables, or brake lines for some models. All modular lower brake lines listed are based on stock front suspension. Harley-Davidson Motor Company cannot test and make specific fitment recommendations concerning every possible mirror and handlebar combination. Therefore, after installing new mirrors, handlebars, or control cables/lines and before operating the motorcycle, check to ensure that all controls are fully functional and that the mirrors provide the operator a clear view to the rear. Handlebar height is regulated in many areas. Check local laws before installation.
