CAMBUILD 2023, set to be held from **14-16 September 2023** at the **DIECC (Koh Pich), Phnom Penh**, will be the number one platform for companies to connect with key decision makers in Cambodia for the industry.

For over a decade, this annual trade event has been recognised as the place where all the top international as well as local brands and companies in the industry gather to display and showcase their latest products, services and innovations, and 2023 will be no exception.
