City of Birmingham Department of Youth Services Launches 2023 Fox 6 Kids and Jobs

The City of Birmingham Department of Youth Services, in partnership with WBRC Fox 6, launches the 2023 Kids and Jobs program. This summer, DYS and Fox 6 will put hundreds of Birmingham Youth to work through this program. Kids and Jobs is designed to help cultivate the professional development necessary for youth to become an integral part of the workforce.

Components:

- **EXPOSURE (14 & 15 Year-Old)**
Participating students will receive first-time exposure to the workforce. The Exposure component gives deserving Birmingham youth, who might otherwise not be given the chance, an opportunity to experience the workforce for the first time.
- **FUTURE EXECUTIVE (16-24 Year-Old)**
The Future Executive component provides high school and college students with an introduction to the workforce and a chance to explore one of the many professions offered.

Students who qualify for the program are provided with valuable work experience and our program partners gain much needed work experience. Both components will work a minimum of four hours per day, over a four-week period. If you would like to be a 2023 program partner, please visit www.BhamYouthFirst.org and complete a program partner application.

Applications are now available at <https://www.bhamyouthfirst.org/> and www.wbrc.com.
Applicants must live in the city of Birmingham to participate in the Kids & Jobs Program.
