Your Key to A Successful Home Financing Secrets of a loan officer
 2010-06-17 Today's housing market offers exceptional opportunities and
 incentives to achieve the American dream. "Your Key to a Successful
 Home Financing" presents unique resources that will help you
 understand and simplify the loan process, identify available mortgage
 programs to meet your goals, and enjoy the advantages of being a
 homeowner. This book will also prepare you with the essentials for a loan
 approval and tips on how to improve your credit. I'll describe
 fundamental benefits of using government loans, such as buying with no
 money down or getting additional funds to repair your home, and options
 to receive down payment assistance from your city, county or state. I'll
 show you how to save money by obtaining a seller credit towards closing
 costs, reduce your interest rate and its cost, and obtain federal and state
 tax credits. In addition, you will learn ways to buy foreclosures with low
 down payment. As a mortgage consultant, I strongly believe in full
 disclosure to my clients; I'll describe important key documents that need
 to be reviewed before looking for a house and at the closing of your
 transaction. I was motivated to write this book because I frequently
 witness loan officers failing to provide existing programs and resources
 to homebuyers. Ultimately, this lack of expertise or ability can be
 detrimental at the moment of purchasing your home. Throughout "Your
 Key to a Successful Home Financing" outstanding online support for
 homebuyers and homeowners will be listed, and you will discover secrets
 banks may not necessarily want you to know. Its chapters were designed
 for readers that don't have time to study vague and lengthy narratives
 about financing. It provides direct, current and crucial advice to find the
 most appropriate home loan program to fit your needs, because now it's
 a great time to take action! www.homefinancingbook.com

A Tea Reader Katrina Avila Munichiello 2017-03-21 A Tea Reader contains a selection of stories that cover the spectrum of life. This anthology shares the ways that tea has changed lives through personal, intimate stories. Read of deep family moments, conquered heartbreak, and peace found in the face of loss. A Tea Reader includes stories from all types of tea people: people brought up in the tea tradition, those newly discovering it, classic writings from long-ago tea lovers and those making tea a career. Together these tales create a new image of a tea drinker. They show that tea is not simply something you drink, but it also provides quiet moments for making important decisions, a catalyst for conversation, and the energy we sometimes need to operate in our lives. The stories found in A Tea Reader cover the spectrum of life, such as the development of new friendships, beginning new careers, taking dream journeys, and essentially sharing the deep moments of life with friends and families. Whether you are a tea lover or not, here you will discover stories that speak to you and inspire you. Sit down, grab a cup, and read on.
