## INDUSTRY EXPERTISE

This directory provides contacts to members of the New Jersey Business & Industry Association (NJBI) who are looking for Certified Public Accountants (CPAs). The directory lists accounting firms by industry expertise, and then provides specific contacts by practice area. We thank those member accounting firms who applied to be included, as well as the New Jersey Society of CPAs for their guidance.

## CPAS

This directory is intended to assist New Jersey Business & Industry Association (NJBIA) members in finding certified public accountants (CPAs). NJBIA does not employ practicing accountants or give tax advice. NJBIA does not direct, oversee or warrant the legal advice or representation provided by accountants included in this publication. Likewise, it does not endorse the use of one firm over another. Accountants are listed by subject area expertise in alphabetical order.
