

How to add companies to your watchlist

When you first enter the Game your watchlist will be empty.

Code	Bid	Offer	Last	Open	High	Low	Volume	Change %	Actions	Watchlist
Your watchlist is currently empty.										

- 1) To add stocks to your watchlist, go to the Company list page. On the right hand side of the company list table you will see a  button next to each company. This button means that you can add that company to your watchlist (see below).
- 2) Once you click on the blue button and add the stock to your watchlist, the button will turn orange. This is an easy way of telling that you have added the stock to your watchlist.

Company list

You can search for companies in two ways - either by choosing a GICS industry group or by adding the Company Code.

- 3) The company list is not the only page where you have these + / - buttons. You also have them showing on the Company details pages and your Portfolio page.

Removing a company from your watchlist

- 1) To remove a company from your Watchlist page all you need to do is click on the orange button . You can do this from your Watchlist page, the Company list page, the Company details page or your Portfolio page.

On your watchlist page you can also do the following:

- 1) If you want to buy or sell shares in a company you can select the buy or sell button and this will take you to the Place an order page
- 2) To view the details of a specific company, click on the company code and this will take you to the Company details page.

Searching by sector

You can also view your watchlist by sector. This will organise the companies in your watchlist into groups according to the type of industry they operate in. At the top of the page there is a 'Select companies by sector' box (1). Click on the arrow and this will give you a drop down list of the sectors in your watchlist and the companies you have in these sectors.
