NSE and BSE are the two big exchanges in the Indian stock market! NIFTY50 is made by NSE which incorporates India's top-performing Nifty 50 Companies list, it acts as an index called NIFTY 50.

The index that is made by BSE from the top performing 30 company is called SENSEX30.

In order to join companies in the Nifty Fifty Index, several criteria are kept by the exchange, which includes.

If you talk about man criteria, market capital, Companies yearly, quarterly profit loss, the company performance is included according to the weightage of the companies there. Is disarmed.

Companies joining Nifty-50 and Sensex-30 should be selected from different sectors based on their performance. For Example Auto Sector, Energy Sector, Finance Sector, Media & Entertainment Sector, etc.
