Introduction

This article describes how to access your Lone Star College email online.

Instructions

There are multiple ways in which to access your email - through myLoneStar, online through your LSC Microsoft 365 account, or through a link available on the Lone Star College website.

Student Email

Choose one of the following ways in which to access your student email:

- Go to **myLoneStar** at <https://my.lonestar.edu> and log in with your LSC email address and password. Select the "Student Email" tile on the homepage.
- Log into **Microsoft 365** directly at <https://microsoft365.com> with your LSC email address and password and select the "Outlook" application.
- Visit the **LoneStar.edu** website at <http://www.lonestar.edu/email.htm> and select the "Login to myLoneStar to access student email" link.
