

A Kid's Life lyrics – to practice and memorize 😊

A Kid's Life

Stayed up late, feelin' great!
Glad to be a kid today and just can't wait
Gotta say, it's my day,
menu on my Facebook tells me I'm okay!
Every dawn, up and gone.
Don't hear anyone I got my headphones on
Gotta go, all I know,
everybody wins when we play Nintendo

Yeah, Yeah, Yeah, Yeah it's a Kid's Life!
Lovin' my kid's life
Yeah, Yeah, Yeah, Yeah it's a Kid's Life - Kid's life!

Feelin' free, got my Wii,
you and me together with our MP3s
Any place, anyhow, feelin' so excited
so text me now!

Hey what's up? Where's the lights? My PDA is
crashing nothing's working right
My cell phone quit! My laptop fried! No Wii? NO
WAY, my iPod died
AHHHHHHHHHHHH!

Out of juice, now we're stuck, everything is broken
now we're out of luck!
What a crime, what a mess, being just a kid can be a
whole lot of stress!

Whoa, Whoa, Whoa, Whoa it's a Kid's life!
A Stressful kid's life!
Whoa, Whoa, Whoa, Whoa it's a Kid's Life!
A tech free kid's life!
Whoa, Whoa, talkin' dejected Whoa, Whoa,
Gotta get connected
Yeah, Yeah, Yeah, Yeah, it's a Kid's life, Kid's life!

Let the Games Begin

Yahtzee, Bingo, Twister, too!
Cranium is good for you!
Checkers, chess, are hot today and these are they
games we play
Marco, POLO, if you can –
give your ship a battle plan.

You'll have fun I guarantee, with scrabble and
password and Jeopardy!

Let the games begin, someone's gotta lose and
someone's gotta win!
Roll the dice or give the board a spin and let the
games begin

Hide and seek and crack the whip, Deal the cards
and let 'er rip.
Dominoes can cut me loose - Red light, Green Light,
Duck Duck Goose!

Hit the jackpot every time - Racko, spoons or
Mastermind!
Rack up billiards right on cue,
table football, SU-DO-KU!
Jump rope, Jackpot, it's easy! Indoor soccer, Par-
chees-i!
Playing games that make you think
Like bog-gle, or Clue or Tiddly winks!

Let the games begin, someone's gotta lose and
someone's gotta win!
Roll the dice or give the board a spin and let the
games begin
Let the games begin, someone's gotta lose and
someone's gotta win!
Roll the dice or give the board a spin and let the
games be... let the games be... let the games be...
Let the games be-gin!

Paper Airplanes

First you take a standard piece of paper,
not too thick, not too thin
Crease it down the middle, open, taper,
bend the corners, bend them in!
Now you want to fold the point down neatly
got to make a flap.
Then you fold it down the middle, see it's just a snap!

Fly away, on my paper airplane,
high above the earth and stars
Flying high in my paper airplane
round the moon and on to Mars!

What's the big deal? What makes her so smart?
I can do this if I try with all my heart
Fold and tuck, I know if I try,
with a little luck this plane will fly!

Crease it down the middle, open, taper,

Ghost Story

A tell-tale heart, a golden arm, a spooky
spirit that might do you harm
Late at night, so little light,
a scary story gives you such a fright!
Tell me, tell me, tell me a ghost story, tell me,
tell me, a tale that's weird and gory
Scare me if you can, YES! scare me if you
can
Ooo..... Oo.....

A witches brew, and goblins too, a
werewolf's howl that scares
you through and through
A zombie's cry, a banshee's sigh,
a dancing mummy with an evil eye!

A ghoulish heist, a poltergeist,
a creepy lot with a heart of ice
A scary dream, a bowl of steam, a ghoulish
groaning and a phantom's scream - AHH!!!

A tell-tale heart, a golden arm, a spooky
spirit that might do you harm
Late at night, so little light, a scary story gives
you such a fright!

Tell me, tell me, tell me a ghost story, tell me,
tell me, a tale that's weird and gory
Scare me if you can, YES!
scare me if you can
Ahh..... Oo..... Oo..... Oo.....

Jump Rope Chants:

Sixteen bluebirds sittin' on a fence, flapped their
wings and started to dance
Upward, downward, all along the line - brightly
preened and lookin' fine

Teddy Bear, teddy bear turn around, Teddy bear,
teddy bear touch the ground
Teddy bear, teddy bear show your shoe, Teddy bear,
teddy bear that will do!
