GUIDE TO USING THE BUDGET

At first glance, the budget appears to be pages after pages of numbers. Yet, the budget is more than numbers. It establishes the financial direction of the Municipality and reflects program decisions and corresponding activity levels for all Municipal departments. The budget is the result of a dynamic process requiring continual adaptation to changing circumstances. This section is intended to facilitate the citizens' understanding of the budget document. The budget format is designed to allow government officials, the public and media to readily assess the fiscal condition of the Municipality and identify spending priorities.

The Manager's Message provides a narrative of the highlights of the annual budget and policy recommendations for Mayor and Council to improve the financial stability of the Municipality.

The first few pages of the budget provide a Table of Contents and overall Budget Summary which includes total revenues and expenditures for the operating funds of the Municipality: The General Fund, Storm Sewer Fund, Sewer Usage Fund and Highway Aid Fund, Capital Fund, American Rescue Plan Fund, and the Municipal Building Fund. An Organization Chart is also provided for reference.

For each operating fund, line accounts are used to delineate all revenues and expenditures for each municipal department and division.

Most of the Municipality's revenues are received through the General Fund. Although there are numerous line-item accounts, the majority of the General Fund revenues are represented as real estate tax revenue, earned income tax, deed transfer tax, occupational privilege tax (LST), and business and mercantile taxes. Similarly, the expenditures for each line account for those departments funded through the General Fund are presented. A narrative is provided for each department which describes the department's function, capital outlay and a comparison of prior year to current year staff positions and their corresponding salaries.

The Storm Water Fund creates revenue generated through the storm water fee that was adopted with the 2020 budget. Most of these revenues will be used to make storm sewer repairs throughout the Municipality. Operating expenses for the Storm Water Fund appear in line accounts within this fund.

The Sewer Usage Fund contains the revenues generated through the operation of the Municipality's sewage conveyance and treatment system. Most of these revenues are realized through user fees. Operating expenses for the Water Pollution Control Department appear in line accounts within this fund.

The Highway Aid Fund is funded by revenue received from the State which is generated by way of a per gallon tax on gasoline and other fuels as well as oil franchise tax and is allocated to local governments based upon mileage and population.

The last four sections of the Budget contain the Capital Improvements Budget, the Municipal Center budget, the American Rescue Plan Fund, and the Vehicle List. The Capital Improvements Budget presents plans for major capital projects primarily financed through Bond Issues. The Municipal Center budget shows construction costs for the new Municipal building. The American Rescue Plan Fund also called the COVID- 19 Stimulus Package are funds received to help in the recovery from the economic and health effects of the COVID- 19 pandemic. The vehicle list has an up-to-date listing of all municipal vehicles.

To: Mayor and Council
From: Scott Andrejchak, Municipal Manager
Date: Sunday, October 29, 2022
RE: SUBMISSION OF 2024 OPERATING BUDGET

Attached is a balanced operating budget that consists of General Fund, Sewer Fund, Liquid Fuels Fund, Capital Improvement Fund and the Storm Water Fund. The 2024 budgets are realistically balanced based on responsible revenue projections and the best expense estimates that can be made with the most current information.

The 2024 budget proposes no tax increases and shows no reductions in services. The proposed budget creates no new positions, either. Each position that appears in the 2024 budget is a job or position that already existed in 2023, or earlier. The Municipal staff began working on the budget in late summer, department meetings were conducted, and a balanced budget was transmitted to me earlier this week from the Finance Director. It has been an incredibly busy year and time, with multiple ongoing projects in every municipal department, all with new challenges. From supply chain issues preventing purchases we needed a year ago, overlapping funding sources, paving projects, recreation and IT projects – every aspect of municipal government was fully engaged in 2023. In fact, one challenge of 2023 was keeping abreast of what was happening with a given project and funding sources, at any given time.

In 2023, the Municipality approved bargaining agreements with the police union, crossing guards, water pollution control workers and street department workers. I am also pleased to report that the Municipality is also close to a tentative agreement with the IAFF, which represents

the Paramedics. The wage and salary cost of living adjustments that appear in the 2024 budget range between 2.5% to 4%. Completing responsible labor agreements for multiple units in a challenging economic environment was a year-long task that required major time commitments from both management and the unions' representatives. It was a task that required multiple negotiating sessions with each group. However, even with most agreements completed, the Municipality is fixing some of its largest operating costs for the next 3-4 years. This helps with budget forecasting in the next years, as the Municipality is now entering a post-pandemic and post-stimulus budgeting environment.

Although there are stimulus-funded projects still in the pipeline, the Municipality returns to normalized budgets in 2024 because the American Rescue Funds have mostly been programmed or spent. When the 2020 budget was being prepared at the end of 2019, the budget message said, "more than any other financial item, the municipality's [fund balance] is the one item that should raise the most concern for the public, staff and elected officials." In fact, it was very questionable how Penn Hills was going to meet its obligations. With a \$3.5 million fund balance at the end of 2019, the Municipality was not positioned to weather a very big storm.

Much has happened since 2019. I am pleased to report that the Municipality of Penn Hills is on a much more positive financial footing and is prepared to meet the challenges of the future.

This one chart says it all. The Municipality of Penn Hills is stronger today financially than it has been for a long time. This is directly from audited financial statements:

	General Fund Balance
2013	\$7,235,373
2014	\$6,880,020
2015	\$6,557,077
2016	\$4,787,596
2017	\$4,195,160
2018	\$3,721,864
2019	\$3,485,992
2020	\$3,741,903
2021	\$7,487,793
2022	\$14,102,515

Penn Hills' financial outlook improved so much that even Standard & Poor's noticed it. It led the rating agency to move Penn Hills Bond Rating from A+ negative outlook to A+ stable outlook. The Municipality came a long way in a short time and has a lot to show for the way in which it planned its finances.

Stable leadership from the Mayor and Council is one reason Penn Hills Municipality is on a solid foundation right now. American Rescue Funds, aptly named, still required that the Municipality intentionally guide the stimulus in a way to achieve maximum results. The American Rescue Funds gave the Municipality a broad range of ways to program the money. Instead of having a positive fund balance for 2024, Penn Hills Municipality could have instead entertained pet projects, wish lists or else applied all the stimulus into brick-and-mortar projects. In an environment with competing needs and interests, the Municipality was able to use stimulus to complete a laundry list of important projects and to put the Municipality on a better financial trajectory. Mayor and Council made the realistic determination that there would be no benefit to residents if Penn Hills ended up in the same position of 2019.

The Municipality's stronger financial position allows it to forgo increasing its real estate tax millage in 2024. It is yet another benefit of the stimulus. In 2019, when the Municipality was faced with similar cost increases from Republic Services, taxes had to increase almost immediately to fund it. This was because there was no budgetary flexibility to pay the increase. In 2024-2028, the Municipality will have a new contract in place for automated trash collection. The cost increases in that new contract will be accounted for in the 2025-28 budgets, with the same general revenue streams that have always been available to pay for those expenses.

There are a multitude of projects and plans slated for 2024. The municipality is looking forward to an improved trash collection system in 2024. In addition, there are projects in various stages of completion in every municipal department. Continuing to leverage grants and local resources will complete paving, recreational and information technology investments at Penn Hills. These and other projects should be the focus of the upcoming budget hearings.

Budget submission today marks the start of public discussion on the municipality's spending plan. The first public budget hearing is

scheduled for Monday, November 20th at 7:00PM. The second budget hearing is scheduled for Monday, November 27th at 7:00PM.

Residents can bring any input to the budget at those meetings. The meetings are also a way for highlights of the budget to be shared, along with the financial challenges that we all must be mindful of in next year's planning. The budget will be slated for approval by Council, with any changes, before the end of the calendar year.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'S. Andrejchak', with a stylized flourish at the end.

FUNCTION: Purchasing

The Purchasing Division is headed by the Municipal Manager. This department is responsible for the preparation of the contract documents and specifications for the purchasing of supplies, equipment, services and municipal projects, processing of requisitions and custody of related records. The purchasing function is established as a separate division under the Department of Administration. This provides the Purchasing division with direct access to the Municipal Manager, allowing for coordination of all municipal purchases.

FUNCTION: Investigative Division

The Investigative Division is responsible for investigating all crime and suspected illegal activities within the Municipality, including organized crime and illegal drug trafficking. Investigations include both adult and juvenile offenders. Juvenile officers are trained to conduct investigations involving suspected child abuse, child neglect and juvenile delinquent cases in addition to promoting crime prevention in the community through various outreach programs. Investigators assigned to this division work closely with Federal, State and local law enforcement agencies.

FUNCTION: Educational Service Agency

The Adult School Crossing Division provides for the safety and welfare of all school children walking or riding buses to school. Guards maintain order at school bus stops and file written reports on motor vehicle violations that threaten the safety of school children. They may also supplement police officers at parades and other special events. The Penn Hills School District reimburses the Municipality for fifty percent (50%) of all direct personnel costs. Guards are under the direct supervision of a sworn police officer.

FUNCTION: Fire Suppression

The Fire Suppression Division includes all municipal expenditures which are directly related to the six (6) volunteer fire companies serving the Municipality. The Municipality provides an annual subsidy of \$59,482.50 to each volunteer fire company. In addition, the Municipality pays fire hydrant charges to the respective water utilities, worker's compensation premiums for volunteer firemen, liability insurance on fire vehicles and fuel for fire trucks.

FUNCTION: Fire Prevention

The function of the Department of Fire Prevention is to provide for the protection against fire of persons and property within the Municipality. This is realized through the implementation and enforcement of the Fire Prevention and Building Codes, as well as other ordinances. Fire prevention involves the identification, removal, and control of fire and related hazards, the investigation of fires and explosions, and the presentation of public fire education programs. The department also is responsible for the preparation, review, and management of emergency operations in conjunction with related County, State and Federal Agencies. This department is headed by the Fire Marshall who reports directly to the Chief of Police. The Fire Marshall is also the director of Code Enforcement.

FUNCTION: Emergency Medical Services Division

The Emergency Medical Division provides 24-hour professional emergency medical ambulance service for all citizens within the Municipality. This division is staffed by highly-trained Paramedics who are capable of using the most advanced techniques in emergency medicine. The ambulance units function as an extension of the hospital emergency room under the direction of a medical advisor. The division is headed by a Supervisor of Emergency Medical Services who possesses specific expertise in the administration of emergency medical services operations. The supervisor of this division reports directly to the Chief of Police.

FUNCTION: Code Enforcement

The Department of Code Enforcement provides enforcement of various ordinances and codes, relating to zoning, building, grading, street openings, sewer tap-ins and occupancies. Code Enforcement also assists in processing applications which are brought before the appointed Zoning Hearing Board. Enforcement Officers also provide inspection services for municipal capital projects such as streets and storm/sanitary sewers. This department is headed by a director who reports directly to the Municipal Manager.

FUNCTION: Planning & Economic Development

The Department of Planning and Economic Development provides administrative support to the Mayor and Council and Municipal Manager on all matters relative to community planning and development of the Municipality. This includes the development of a Municipal Comprehensive Plan, a Municipal Land Use Plan, revisions of planning-related ordinances and review of applications for rezoning, subdivisions and site plans. The department is also responsible for the development and administration of owner-occupied housing rehabilitation plans. The department also develops and administers the Community Development Block Grant and 701 Planning Programs. Finally, the department performs grant writing and subsequent contract administration for Federal and State grants for most municipal departments. The department is headed by the Director of Planning and Economic Development who reports directly to the Municipal Manager.

FUNCTION: Recreation Department

The Recreation Department is responsible for developing and administering a wide variety of recreational programs and activities for all residents of the Municipality. This department utilizes all resources available, including public and private agencies, to meet the increasing recreation responsibilities and needs of the Municipality. The Department of Recreation also provides safe and clean parks and facilities for the comfort and convenience of Penn Hills residents. The Department of Parks and Recreation is under the direction of the DPW Supervisor who reports directly to the Municipal Manager. An appointed Recreation Advisory Council serves in an advisory capacity to Mayor and Council.

FUNCTION: Library Contribution

The Municipality provides a yearly allotment to the now non-profit Penn Hills Library. This contribution helps the Library to maintain a collection of books, periodicals, records, newspapers and general reference material. In addition to the Municipal allotment, the Library receives direct State aid and Regional Asset District monies, which it expends primarily for books and additional salaries. A seven-member Board of Directors is appointed by the Mayor to serve three-year terms. The Board of Directors serves in an advisory capacity to Mayor and Council on the operation of the Library.

STORM WATER FUND

FUNCTION:

The Storm Water Fund was created in 2020 to fund storm water repairs throughout the Municipality. The main source of revenue for this fund comes from the storm sewer fee that was put in place at the beginning of 2020.

FUNCTION: WPCD Administration

The Administration Division ensures the overall supervision, operation, maintenance, planning, program development, record keeping and purchasing for the municipal sewage collection and treatment system. This division also develops and implements the Capital Improvement Program for the department. Debt Service costs now appear under 493 account code within this fund.

FUNCTION: WPCD Contracted Disposal

The Contracted Sewage Disposal accounts contain the costs for residents who are serviced by the Allegheny County Sanitary Authority. For every resident whose sewage is conveyed to ALCOSAN for treatment (approximately 75% of the Municipality's customer base), the Municipality is directly assessed, by ALCOSAN, an estimated charge of \$13.35 per 1,000 gallons.

HIGHWAY AID FUND

FUNCTION:

The Highway Aid Fund represent an annual allocation from the State which is primarily derived by a per gallon tax on gasoline and other fuels and an oil franchise tax. Allocations are made to local governments based upon mileage and population. The Municipality may pay for the following items out of this fund: salt and cinders, utility charges for street lights, road materials, crosswalks, line painting, equipment, and machinery.

AMERICAN RESCUE PLAN FUND

FUNCTION:

The American Rescue Plan funding was received by the Municipality in 2021 and 2022, in order to help combat some of the negative impacts from the COVID-19 Pandemic. Following the guidelines set forth in the American Rescue Plan Act of 2021, the Municipality plans to use these funds to make necessary improvements throughout the Municipality.
