

PENN HILLS COVID-19 HOUSING STABILIZATION PROGRAM

In an effort to help residents of the Municipality of Penn Hills maintain stability during the COVID-19 Pandemic, the Municipality of Penn Hills has partnered with housing assistance providers to administer the COVID-19 Housing Stabilization Program.

The Housing Stabilization Program (HSP) provides mortgage and rental assistance and foreclosure prevention counseling to residents who are affected by the outbreak because their hours were cut and/or unable to work given the many circumstances associated with preserving public health and community safety.

Eligibility Criteria:

- Be a Penn Hills Resident
- Be employed, recently employed, or self-employed and experience a reduction in hours or layoff due to the employer reducing or eliminating work hours; or the Loss of contract work as a public health precaution related to the COVID-19 virus (Documentation from the employer will be required.)
- Be experiencing a financial hardship and inability to pay rent, mortgage payment(s), or utilities.

Area Median Income Chart:
