Thank you for contacting us regarding our (Teach English as a Foreign Language) TEFL courses.

This 3-minute read is meant as an overview of the TEFL course and the opportunities it provides to English as a Second Language (ESL) teachers. It will answer most of the basic questions.

Use the hyperlinks to the website for more detail and to enrol online.

- **The TEFL Certification**

As a native or fluent English speaker, looking to formally Teach English as a Foreign Language (TEFL) to any non-English speaking student, a TEFL qualification is required.

The TEFL certificate is essential, regardless of other qualifications, degrees, or teaching experience. Non-English foreign schools and Online school employers only hire teachers with a minimum of a 120-hour TEFL certificate qualification.

The TEFL course is a universal English teaching skills course that can be applied to all foreign language students in all countries.

By enrolling in the TEFL course, your goal will be learning how to deliver interesting and relevant ESL lessons, to young learners and adults of other languages.

There is no need to speak a foreign language to teach students English as a Second language.

- **TEFL Jobs Overseas**

After completing your TEFL qualification, specialist ESL teacher employment agencies will assist you with teaching job placements in a foreign country of your choice.

The agents will gladly take you through the journey until you are settled. No agency / broker fee is required from you.

Employment packages from foreign schools usually include accommodation, flight reimbursement and in-house orientation training.

Some countries like China, Japan and Thailand require a degree, in any field, in addition to a TEFL certificate for a teaching work visa to be issued.

If you do not have a degree, there are many other popular country destinations that do not require one. [View List of No-Degree Countries >> Here.](#)

- **TEFL Jobs Online**

Teaching online is a flexible and convenient option for ESL student worldwide and is becoming the new norm for many.

Online ESL companies are always recruiting suitable and qualified TEFL teachers, with or without a degree. Other ways to teach English online is through ESL freelance platforms or as an independent

- **The course and what you can expect... in a nutshell**

The TEFL course is available to start online at any time the student is ready.

Study and complete the course at your own pace on any computer device. Including a smart phone.

The course is easy to follow and complete on the TEFL course platform.

It takes on average 3 to 4 weeks to complete the online course by working just, 1 or 2 hours a day.

However, you have 6 months access to the TEFL student platform to complete the course and gain your certification.

There are no scheduled timetables, webinars, or boring lectures to attend.

The 11 lesson modules are downloadable so you can study offline.

After each lesson module, an open book quiz test is available to complete whenever you are ready.

A final open-book exam requires an overall pass mark of 70% to gain your TEFL/TESOL certificate.

Online assistance is available throughout the course.

It is recommended students attend the 20-hour TEFL practical course over a 2-day weekend.

Available online via Zoom or in-person at a city venue. Separate TEFL Practical certificate.
