Division of Water Distribution

APPLICATION FOR CHANGE OF METER SIZE RESIDENTIAL ACCOUNT

NAME _____ DATE _____

ADDRESS _____ ACCT # _____

The undersigned, being owner of the property at the above address, requests that the present _____ inch water meter now in use at the premises be replaced with a _____ inch meter.

The undersigned agrees to have the necessary plumbing changes made to accommodate the new meter in accordance with the Department of Public Utilities Rules and Regulations, the Division of Water Distribution Standards and all applicable codes. The undersigned and/or their contractor shall contact the Division of Water Distribution @ (419) 936-2517 to arrange for inspection of the meter setting prior to requesting installation of the new meter.

The undersigned requests this change in meter size in the firm belief that the meter requested will adequately serve the water requirements of the premises and hereby agrees to not hold the City of Toledo, the Department of Public Utilities, the Division of Water Distribution or any of its employees responsible for any deficiencies of service resulting from this change.

The undersigned further acknowledges that there are no fire suppression systems connected to the water system downstream of this meter and impacts to any irrigation systems have been reviewed.

Repeated changes of meter size to satisfy seasonal demands will not be allowed. The first change may be effected by direct application as herein set forth. All future requests for changes must be approved by the Administrator of Water Distribution.
