And then, depending on your primary location, you may also have a local network plan to choose from through Anthem Blue Cross Blue Shield, UnitedHealthcare, Centivo, or Kaiser Permanente.

All medical plans offer:

- Eligible preventive care services covered at 100% when you use in-network providers.
- Medical coverage that includes routine care, emergency care, and mental health and substance use services.
- Prescription drug benefits.
- \$35,000 toward fertility solutions (up to \$25,000 of medical coverage and \$10,000 for fertility-related prescription drug coverage).
- Annual out-of-pocket limits on covered health expenses.
- Well-being programs for you and your covered dependents to get — and stay — healthy.

Dental

Keep your smile bright and healthy with two dental options that include coverage for preventive and restorative services (think checkups, X-rays, root canals, and implants), along with orthodontia for kids and adults.

Health accounts

Who doesn't love an easy way to pay for out-of-pocket health care expenses? Our health accounts give you peace of mind — and a little more — when you earn health and wellness dollars.

Health savings account

Depending on the medical plan you enroll in, you may be eligible for a health savings account (HSA) that offers tax savings and a way to pay for eligible expenses. You also have the opportunity to earn health and wellness dollars by completing certain activities.

Health reimbursement account

If the plan you enroll in includes a health reimbursement account (HRA), you can use it to help lower your out-of-pocket costs by earning health and wellness dollars!

Flexible spending accounts

Looking for more ways to save? You have three flexible spending account (FSA) options to consider and use to cover eligible expenses with before-tax dollars:

- Full-Purpose Health Care FSA
- Limited Dental/Vision FSA
- Day care FSA

Want even more?

You got it! You and your spouse or domestic partner can earn up to \$1,200 (\$800 for you, \$400 for them) for your HSA or HRA by completing a wide range of health and wellness activities throughout the year.

Personal & family support

From starting your parenting journey to caring for a sick loved one, you have access to family benefits that help you every step of the way.

Adoption and surrogacy reimbursement

Not all paths to parenthood look the same — and to help you on your journey to build a family, you can be reimbursed up to a \$35,000 combined lifetime maximum for eligible surrogacy, tissue donor, and adoption expenses. You're eligible for adoption, surrogacy, and tissue donor reimbursement on your hire date.

Parental Leave

It's our priority to make sure you have the time you need to bond with a new baby or child. Parental Leave offers up to 16 weeks of paid leave for a primary caregiver (and up to four weeks for a non-primary caregiver) to focus on the new addition to your family.

Breast milk shipment program

You can easily send your breast milk home while traveling on business with the LifeCare MilkShip® program — all at no cost to you.

Backup child care

When your regular child care arrangements fall through, there's no need to stress. You have access to 20 days of in-home and center-based backup child care.

Backup adult care

Backup adult care is available, too. You get up to five days of in-home care for yourself, your parent, spouse, domestic partner, or adult dependent at any time.

Critical Caregiving Leave

Being there when your family needs you is just as important to us as it is to you. Critical Caregiving Leave gives you five days of paid leave to care for your spouse, domestic partner, parent, or child when they need it most. You're eligible for Critical Caregiving Leave after 12 months of continuous employment.
