Vehicle Description

THE BIKE SPECIALISTS,
TRADING STANDARD AWARD WINNERS.

Here we have a stunning and very Rare Norvin. This Norvin was built by the well renowned HMR Hailwood Motorcycle Restorations. Only a handful of these bikes were produced. The attention to details is simply amazing making this the ultimate cafe racer. The legendary Vincent engine has the luxury of having had fitted an electric start and sits in a "frameless" Norton feather-bed frame and is still considered by many as the best engine ever built.

This is a bike very well known to us at the Bike Specialists, it belonged to our great friend, the late Ted
