Love-In at Crocker Park...

The gang from Dave's Cosmic Subs teamed with Regal Cinema last week for a Love-In at Crocker Park as the new "Taking Woodstock" Movie debuted.

MDA Stride & Ride

MDA Stride & Ride 2009 was an event for everyone at Crocker Park Aug. 22. Families, friends and supporters of MDA created walk teams, ran in a 5K or just came out to be a part of the fun and festivities. Stride & Ride was a fun, family oriented atmosphere with activities, food, and an overwhelming sense of pride. It is extremely gratifying because MDA sponsors and the community had the opportunity to meet the people who benefit from the dollars they have contributed. The event offered a sense of support that simply must be

Power of Life! Live it in Health!

It's Your Life... Live it in Health!

Located in the heart of Rocky River, the leading health professionals at Power of Life Wellness are dedicated to helping you achieve your wellness objectives—combining skill and expertise that spans the entire wellness spectrum.

Dr. Bryan Ruocco is committed to bringing you better health and a better way of life by teaching and practicing the true principles of wellness care.

Patients seeking treatment at Power of Life Wellness with Dr. Ruocco are assured of receiving only the finest quality care. Dr. Ruocco and the staff have a genuine concern for your well-being!

"The orientation and friendly staff have made it a very positive experience. I felt so much better after the third adjustment. The neck pain had diminished and my migraines have become a thing of the past."

Wellness Care

What's the main difference between wellness care and standard medical care? Wellness care seeks to turn on the natural healing ability, not by adding something to the system, but by removing anything that might interfere with normal function, trusting that the body would know what to do if nothing were interfering with it. Standard medical care, on the other hand, seeks to treat a symptom by adding something from the outside – a medication, a surgery or procedure.

Inside Out vs. Outside In

If a patient has high blood pressure, a standard medical approach would be to choose a drug that lowers blood pressure, and ask the patient to take the drug. This may serve to lower the blood pressure, but ignores the underlying cause that is making the blood pressure high, and runs the risk of side effects complicating the person's recovery. Whether it's a nutritional issue, faulty control by the nerve system or a manifestation of stress, the medication could decrease the blood pressure, leaving the problem causing the symptom of high blood pressure unaddressed.

"Since starting treatments, the pain in my shoulders is not a severe and the stiffness and spasms in my neck are gone. I also noticed that my whole body is not so rigid and I am sleeping much better. It has been 3-4 weeks since I began care with Dr. Ruocco and my life has changed because I am able to do the things that I was not able to do when I had the excruciating pain."

The Wellness Approach

Wellness is a state of optimal function... and then some. The wellness approach is to look for underlying causes of any disturbance or disruption (which may or may not be causing symptoms at the time) and make whatever interventions and lifestyle adjustments would optimize the conditions for normal function. That environment encourages natural healing, and minimizes the need for invasive treatment, which should be administered only when absolutely necessary. When the body is working properly, it tends to heal effectively, no matter what the condition. When the body heals well and maintains itself well, then there is another level of health that goes beyond "asymptomatic" or "pain-free" which reveals an open-ended opportunity for vitality, vibrant health, and an enhanced experience of life. the most serious problems.

"Dr. Ruocco located the source of my problem, which was in my spine, and provided me with unbelievable relief. My only regret is that I did not find him before my surgery."

"I was giving up and beginning to accept the pain and suffering as a way of life. That is, until I started my treatments with Dr. Ruocco after my mother attended one of his educational talks at the community center.....I took my mother's advice and I am thrilled to admit I was wrong."

Taking Woodstock...

Regal Cinema and Dave's Cosmic Subs at Crocker Park took "Taking Woodstock," the new movie commemorating the legendary Rock Fest, to heart last Friday night for the premier opening of the flick.

With a mud pit strategically placed at the Regal stairs to depict Woodstock's famed rainy day concerts, fans were invited to dip for prizes like free movie tickets and sandwiches at Dave's Cosmic Subs.

The team from Dave's was really into the swing of things as Dave himself was joined by store manager JT and other Cosmic Sub team members in great hippie attire. Peace!

Hey, we even spotted Rock and Roll Hall of Fame President Terry Stewart and friends headed into the theater for the premier!

Hi friends, Old Man in The Kitchen here, Tom. Old wives tale: If the bottom of your right foot itches, you are going to take a trip, let me know if it happens to you and I hope you're enjoying the fresh corn during August, if you enjoy it, this is a great recipe for fresh corn, I know everyone likes it boiled or roasted with butter on it, but this recipe is so good sweet and easy corn pudding.

- 2 cups fresh corn
- 1 Tbsp flour
- 3 Tbsp sugar
- 3/4 cup milk
- 2 eggs
- 3/4 tsp. salt
- 1/2 stick butter.

Put all in food processor, blend till pureed, pour into buttered 1 quart baking dish and bake for 45 minutes at 375 degrees, you have to try this with all of the fresh corn available to us at this time. Take care, Old Man in the kitchen, Tom!

First. Again..... Porsche Panamera Comes to North Olmsted

First.

Again.

North Olmsted auto dealer Bernie Moreno finds himself at the head of the class once more as the Porsche Panamera is unveiled.

Like Porsche, Moreno and his North Olmsted Auto Collection apparently never grow tired of firsts.

“To us, getting there before anyone else is a point of pride. It’s why we were the first to have the PDK double-clutch-transmission in a race car,” announced Porsche last week as it readied to introduce its sleek new headliner at Moreno’s Porsche of North Olmsted dealership.

Porsche prides itself on being the first to successfully take turbo charging from race cars to street cars.

And to also lead the in competition with all the first-places finishes—over 28,000, in 60 years of racing.

Now comes another first.

The Porsche Panamera.

It is the first authentic sports car for four.

From top to bottom, it is every inch pure Porsche performance. From the commanding horsepower to the relentlessly exacting precision, it pays homage to every Porsche that came before it.

It allows for two more people to share in the mystifying experience. In executive accommodations no less. Another Porsche. Another first.

Experience pure Porsche performance for four. The Porsche Panamera. Four, uncompromised. Now at Porsche of North Olmsted.

Porsche Panamera

Where Dreams Become Real

Dreams have become reality at Moreno’s dealerships since he came from Boston just a few years ago.

Last summer saw the grand openings of his Mercedes-Benz of North Olmsted and Porsche of North Olmsted buildings. His \$7.5 million investment in these state-of-the-art facilities has revitalized the car buying experience in Northeast Ohio.

The North Olmsted Auto Collection now includes Saab, Lotus, AMG, and North Olmsted Performance in addition to the Mercedes-Benz and Porsche dealerships. It is a true flagship destination for luxury and high performance car shoppers.

The cutting-edge Mercedes-Benz dealership at 28450 Lorain Road opened last summer. Its configuration

*Bernie Moreno, Owner
North Olmsted Auto Collection*

Porsche of North Olmsted, 24850 Lorain Road, North Olmsted, OH 44070

to the company’s new Auto Haus dealership standards has earned its place with a featured photo placement in the lobby of Mercedes-Benz USA headquarters.

Within the dealership, Moreno also hosts an AMG Performance Center. This top-selling, high-performance showplace has found a home in North Olmsted where dedicated specialists have already this year individualized 40 AMG models from the Mercedes in-house customizer.

Coming later this year will be the exciting addition of The Fisker. The well-publicized California electric car-maker will launch its plug-in hybrid Karma at Moreno’s North Olmsted Auto Collection.

When Porsche of North Olmsted opened the doors to its new facility last summer, guests were treated to a nearly one-of-a-kind dealership in the United States.

“This new dealership is completely compliant with the high standards that Porsche has set for its dealerships as a part of its Image program, which is now in its third generation,” said Moreno. “And we are the first Porsche dealership in the country to be 100-percent compliant.”

As a part of its Image program, Porsche only requires that its dealerships be 75-percent compliant with its design standards. But that wasn’t enough for Moreno’s standards of excellence. “We want our customer experience to be an ‘A- plus,’” said Moreno at that time.

Porsche of North Olmsted

is one of only a select few nationally to host the Porsche brand exclusively. Most others are in Florida or Beverly Hills.

“I want the customers to step into the newly renovated dealership and feel as if they are our guests, not customers. It is about the experience” said Moreno. “They are not just purchasing a new vehicle, they are fulfilling a dream. That’s why we want them to have the complete experience.”

Since the beginning, Moreno has been a believer in both quality and Northeast Ohio.

That is why, just two and half years after coming to Cleveland and breaking ground on two new buildings that have re-ignited the Northeast Ohio automobile scene, Mercedes-Benz of North Olmsted had become the largest selling Mercedes-Benz dealer in the Central U.S. and Porsche of North Olmsted had become the largest selling Porsche dealer in Ohio.

“Our success has been built on ensuring that the buying experience is far more than the customer expects from a luxury car dealership,” said Moreno.

That philosophy is behind the exciting introduction of the Porsche Panamera.

Stop in soon to see how the new Panamera is every bit as much Porsche as the ones that preceded it. Don’t miss the opportunity to witness, up close, how the Porsche Panamera brings sports car goosebumps to four people. The unyielding power. The implausible maneuvering. The executive-class seating. All the Porsche thrills are at Porsche of North Olmsted and not to be missed.

For the best deal on a Mercedes, head west.
(480-West, to be precise.)

Mercedes-Benz of North Olmsted is less than a mile from the intersection of 480 and Stearns Road. We're the #1 volume Mercedes-Benz dealer in the entire Central U.S. and a very large percentage of those sales come from the good citizens of the east side.

And no wonder, we offer the kind of deals only the #1 Mercedes-Benz dealer can give, and when it's time for service, we pick up your car, and provide you with a Mercedes-Benz loaner until your car is returned.

So if you're even thinking of buying or leasing a new Mercedes, drive on over. Even though you'll love how we treat you, the truth is, you only have to come here once.

LOVE IN: It was a real Love-In at Crocker Park last Friday night as the new Woodstock movie opened at Regal Cinema. Dave' Cosmic Subs teamed with Regal in setting up a mud pit in front of the cinema with free tickets, sandwich coupons and other prizes hidden in the muck. Guests were invited to dig in and pull out prize, reminiscent of the original Woodstock's infamous rainy day scenario 40 years ago in upstate New York. Lots of fun was had by all. We even caught photo (in today's Crocker Park Press) of Rock and Roll Hall of Fame President Terry Stewart and friends entering the theater to catch the flick!

FARMER'S MARKET: Crocker Park's North Union Farmer's Market is special all the time. But especially so right now as late summer brings out the best in local produce. We stopped up last Saturday morning and were amazed at the locally-grown selection of great veggies, fruits and more. The place was packed. Don't miss out as The North Union Farmer's Market is in full harvest right now! Every Saturday from 9 a.m. – 1 p.m. across from Urban Active. Featuring the freshest local produce around! Yes and Amen!
