

UNDERGRADUATE ATTESTATION AND EQUIVALENCY PROCESS

Attestation Process:

- For students who completed their High School within the UAE please visit Ministry of Education (MOE) to attest your documents and apply for Equivalency Certificate.

The Equivalency Certificate is not required if the school system is under MOE Curriculum.

- For students who completed their High School outside the UAE.
 1. Attest from Department/Ministry of Education in the country of study.
 2. Attest from Ministry of Foreign Affairs in the country of study.
 3. Attest from UAE Embassy in the country of study.
 4. Visit the UAE Ministry of Education and apply for Equivalency certificate

Note: Attestation should be on the last 3 years of study

- British Curriculum (International Student) - Must attest the official Cambridge result from UK and UAE Embassy in UK.
- IB Curriculum - (International Student) - Must attest the official IB Diploma/transcript result from Switzerland and UAE Embassy in Switzerland.

Attestation process might be slightly different so it would be best to contact MOE for more information before processing any documents for University reference.
