LONDON TRANSPORT
ROUTEMASTER BUS

RM 857

Your Routemaster RM 857, built in July 1961 and as it looked in 1966, operated on London's most famous bus route, passing the Bank of England, St Paul's Cathedral and Westminster Abbey. Today, this legendary bus is considered the ultimate celebration of a design classic.

Pull the lever to open the upper deck emergency exit

**1:12
SCALE**

Faithfully reproduced 9.6 litre six-cylinder diesel engine

Fully operating headlights, rear and interior lights

Recreated with incredible accuracy – right down to the timetable on the rear platform

27.5" (70 cm)

14" (35 cm)

8" (20 cm)

Materials

Made from high quality die-cast metal with photo-etched and ABS parts to give an authentic and realistic finish to truly excite those nostalgic senses!

AGORA

The Agora Promise

- ✓ **Premium quality guaranteed.** Parts and packaging are quality checked at every stage of the process.
- ✓ **Full-model production guaranteed.** We will not stop production of any model 'halfway through your build'. We won't sell you the first Pack unless we are sure we can produce all the Packs to complete your model.
- ✓ **Build Diary for every model.** All models will come with a complete online Build Diary with images of every stage of the build.
- ✓ **Officially licensed products.** Every model is developed with experts to ensure each piece is true to the original specification.
- ✓ **Accurate representation.** Our models are detailed, scaled reproductions of the original model, produced using intricate laser scanning and 3D modelling software.
- ✓ **Customer Service with care.** We know first-class customer service is important to you. We give this high priority in our efforts to ensure all our customers enjoy the best possible Agora Experience.
- ✓ **Worldwide shipping.** We ship all our models worldwide. No matter where in the world you are, we can ship direct to you, just choose your country at the checkout.
