

SA Telephone / VOIP (Voice Over Internet Protocol) Meetings

Unable to attend your regular face to face meeting?

Can't leave your house because of sickness, bad weather, car won't start?

Difficult to get to a meeting when you are traveling?

NOW YOU CAN MAKE A MEETING EVERY DAY!

1. Attend a live SA teleconference meeting with others around the world who are seeking sobriety.
2. If the line plays music when you call, you may need to wait a few minutes until others call.
3. Phone meetings are not intended to replace face-to-face meetings. To find a face-to-face meeting visit www.sa.org.
4. A time zone conversion tool, found on many cell phones or on the Internet, can help you make the time zone conversion from the meeting base time zone to the time zone you will be calling from. For those without access to such tools, a printable map of world time zones may be found at www.time.gove/images/worldzones.gif.
5. All meetings are mixed gender, open discussion, and held in English (except as noted).
6. Some meetings follow the Daily Sobriety Renewal (DSR) format, where callers answer the daily renewal questions based on those originally published in *Essay* (2002, issue #4).
7. For the phone meetings in Belgium/Netherlands, please email one of the following to get the number and PIN: info@sexaholicsanonymous.be or info@sa-nederland.nl.
8. The number and PIN given for the Belgium/France/Luxembourg meeting is for the United States, but there are additional local access numbers for various European countries. Email infos@sexoliquesanonymes.eu for local telephone numbers and PINs.
9. For Spanish speaking phone meetings, please contact contacto@sexolicosanonimos.org for country-specific phone numbers and PINs.
10. *Please note that the phone service used at this meeting displays the phone numbers of all callers on an internet dashboard **visible only to the moderators during the meeting** to facilitate his/her moderation of the meeting.
11. If the primary phone number does not work, there is a **BACKUP NUMBER**. See page 4 for details.

Help support the Virtual Intergroup! The Virtual Intergroup (VIG) takes responsibility for shared resources, such as this flier and our shared teleconference lines. VIG meetings also provide a forum in which to solve common problems and share group experience, strength, and hope. To support the function of the Virtual Intergroup, phone/VOIP meetings are encouraged to send an elected
