Turtle Bead Pet

Thread together pony beads to create a fun Turtle bead pet animal! Make this shape using the colors we suggest, or choose your own colors and string up a new friend!

Instructions

1 Gather your supplies.

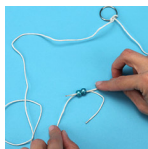

2 Cut white Braiding Cord to 60 inches in length. Stiffen both ends by rolling it between your finger with a dab of craft glue. Allow glue to dry. This will help when threading the beads.

3 Create a lark knot on the Key Ring. To learn how to create a lark knot
