Completing the CAPTCHA proves you are a human and gives you temporary access to the web property.

What can I do to prevent this in the future?

If you are on a personal connection, like at home, you can run an anti-virus scan on your device to make sure it is not infected with malware.

If you are at an office or shared network, you can ask the network administrator to run a scan across the network looking for misconfigured or infected devices.

Another way to prevent getting this page in the future is to use Privacy Pass. You may need to download version 2.0 now from the Chrome Web Store.

How to Install Minecraft Maps on an Xbox 360.

wikiHow is a "wiki," similar to Wikipedia, which means that many of our articles are co-written by multiple authors. To create this article, volunteer authors worked to edit and improve it over time.

This article has been viewed 46,497 times.

The Internet is full of awesome Minecraft maps made by talented builders that are freely available to download, allowing you to play them for yourself. The PC version allows downloading and installing of user-created maps to be an easy and fun experience, but for the Xbox 360, things are a little more complex. Follow this guide and you'll be exploring other people's worlds in no time!
