Introduction

Welcome

The purpose of the handbook is to acquaint you with general Board of Education policies that govern and affect your employment and to outline the benefits available to you as an employee of the District.

Because this handbook is a general source of information, it is not intended to be, and should not be interpreted as, a contract. It is **not** an all-encompassing document and may not cover every possible situation or unusual circumstance. If a conflict exists between information in this handbook and Board policy or administrative procedures, the policies and procedures govern. It is the employee's responsibility to refer to the actual policies and/or administrative procedures for further information. Complete copies of those documents are available at the Central Office and in the Principal's office. Policies and procedures also are available on line via the District's web site or through this Internet address: <http://policy.ksba.org/s03/>. Any employee is free to review official policies and procedures and is expected to be familiar with those related to his/her job responsibilities. Employees and students who fail to comply with Board policies may be subject to disciplinary action. **01.5**

School council policies, which are also available from the Principal, may also apply in some instances. **02.4241**

In this handbook, **bolded policy codes** indicate related Board of Education policies. If an employee has questions, s/he should contact his/her immediate supervisor or Andy Moore in the Central Office.

Shelby County Schools maintains an updated website that contains information that may be of interest. You can visit that site at www.shelby.kyschools.us. Documents and other important information can be found at <https://scpsnet.shelby.kyschools.us/default.aspx>.

Future Policy Changes

Although every effort will be made to update the handbook on a timely basis, the Shelby County Board of Education reserves the right, and has the sole discretion, to change any policies, procedures, benefits, and terms of employment without notice, consultation, or publication, except as may be required by contractual agreements and law. The District reserves the right, and has the sole discretion, to modify or change any portion of this handbook at any time.

Shelby County Board of Education

The first regular meeting of the Board shall be held in January. At this meeting, the Board shall adopt a schedule of regular meetings for the calendar year, identifying the date, time and place of each meeting. **01.42**

General Terms of Employment

Equal Opportunity Employment

As required by Title IX, the District does not discriminate on the basis of sex regarding admission to the District or in the educational programs or activities operated by the District. Inquiries regarding Title IX Sexual Harassment may be referred to the District Title IX Coordinator (TIXC), the Assistant Secretary for Civil Rights, or both.

The Shelby County Board of Education is an Equal Opportunity Employer. The District does not discriminate on the basis of race, color, religion, sex (including sexual orientation or gender identity), genetic information, national or ethnic origin, political affiliation, age, disabling condition, or limitations related to pregnancy, childbirth, or related medical conditions.

Reasonable accommodation for individuals with disabilities or limitations related to pregnancy, childbirth, or related medical conditions will be provided as required by law.

If considerations of sex, age or disability have a bona fide relationship to the unique requirements of a particular job or if there are federal or state legal requirements that apply, then sex, age or disability may be taken into account as a bona fide occupational qualification, provided such consideration is consistent with governing law.

If you have questions concerning District compliance with state and federal equal opportunity employment laws, contact Andy Moore at the Board of Education's Central Office. **03.113/03.212**

Harassment/Discrimination/Title IX Sexual Harassment

The Shelby County Board of Education intends that employees have a safe and orderly work environment in which to do their jobs. GENERAL TERMS OF EMPLOYMENT

Any employee who believes that he or she, or any other employee, student, or visitor to the school or District, is being or has been subjected to harassment or discrimination shall bring the matter to the attention of his/her Principal/immediate supervisor or the District's Title IX/Equity Coordinator as required by Board policy. The District will investigate any such concerns promptly and confidentially.

No employee will be subject to any form of reprisal or retaliation for having made a good-faith complaint under this policy. For complete information concerning the District's position prohibiting harassment/discrimination, assistance in reporting and responding to alleged incidents, and examples of prohibited behaviors, employees should refer to the District's policies and related procedures.
