Installation and activation

Please visit www.steinberg.net/go for details on how to install and activate your software.

Steinberg Documentation

Quickly and easily access the most up-to-date documentation for your Steinberg product at www.steinberg.help.

Registering your software and newsletter

Please register your product. Once you have done so, you are entitled to many benefits such as full support and product updates.

Subscribe for the Steinberg newsletter to get updates on product releases, the latest tutorials and special deals only available via email.

Please visit www.steinberg.net/register to register your product and subscribe to the newsletter under *My Newsletter.*

Getting support

Visit www.steinberg.net/support for product updates, user forums and support articles to help you make the most of your new product.

Hardware drivers

Our products require recent drivers and components for your audio and remote controller hardware, so please make sure that the latest versions are installed before you start working with our products.
Go to www.steinberg.net/en/support/downloads to download the most recent drivers for all Steinberg hardware from the respective download page.
