<sup>1</sup>From globally sourced parts. <sup>2</sup>Read the owner's manual for important feature limitations and information. <sup>3</sup>Cadillac Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>4</sup>Map coverage available in the United States, Puerto Rico and Canada. <sup>5</sup>Service varies with conditions and location. Requires active service plan and paid AT&T data plan. Visit onstar.com for details and limitations. <sup>6</sup>The system wirelessly charges one PMA- or Qi-compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, see my.cadillac.com/learn or consult your carrier. <sup>7</sup>Not compatible with all devices. <sup>8</sup>Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See your vehicle Owner's Manual for more information. <sup>9</sup>Cargo and load capacity limited by weight and distribution. <sup>10</sup>Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

## EPA FUEL ECONOMY
