

AXIS II LEFT HAND

FEATURES:

- Improved ergonomics and rugged synthetic left hand stock
- User-adjustable AccuTrigger
- Carbon steel button-rifled sporter barrel
- Detachable box magazine
- Thread-in barrel headspacing

OVERVIEW:

Precision, performance and price have never come together like this. Savage® rebuilt the synthetic stock on the AXIS II Left Hand for improved ergonomics that let any hunter shoot their very best. Like always, the rifle's user-adjustable AccuTrigger™, thread-in headspacing and floating bolt head extract the utmost accuracy from the 22-inch button rifled sporter barrel for the performance of high-end hunting rifles at a fraction of the price.
