Branch Code : 334-149
Account number : 1 000 000 589

Deposits can be made at any ABSA Group Branch. Always quote a student number in the "reference" space provided on the deposit slip when making payment.

2. METHODS OF PAYMENT

Direct bank deposit, ATM cash deposits, payments by credit and debit cards, electronic payments and direct electronic transfers are all acceptable. Students may make payments by means of any of the methods mentioned below:

2.1 Credit cards

Payments by credit card (Visa or MasterCard) are acceptable.

2.2 Debit Card payments and Debit Order arrangements

All students carrying a Maestro ATM card can pay their fees at any payment points with their debit card. All transactions are online and PIN-based (the same PIN student use at the ATM). For further details about this payment facility, contact the Finance Department of the University.

Parents or guardians of students may also make arrangements with their banks to make payments through monthly debit orders. In this process the University's bank account is credited with the agreed upon amount on a monthly basis.

2.3 Letters of authority and bursaries

If a sponsor has undertaken to pay the student's study fees, the sponsor must provide an original official letter, on a letterhead, signed by the appropriate authorized person on behalf of the sponsor. In order to be registered, the student must present this letter at the University on the day of registration. The letter must indicate the following:

- full names
- surname
- identification number
- student number
- the academic cycle and year for which a student is registering
- the amount of study fees that the sponsor commits to pay on behalf of the student

In the event that a sponsor does not pay, a student will be held liable for the

fees and penalties. Payments (installments) by sponsors should include a detailed list of the distribution of the total payment.

2.4 Direct deposits and Internet payments

A student can make a deposit at any branch of ABSA Bank (refer to 1.3 above) on condition that the minimum requirements are met.

If a student transfers funds directly (electronically) via a student bank ATM or whatever method, it is a student's responsibility to confirm/verify the student number and University's bank particulars.

If sponsors make bulk payments for various students via the Internet or electronic transfer, the following information must be entered for each individual student:

- student name
- amount payable
- student number

Without this information the individual student's account cannot be credited, and this creates various practical problems, such as non-entrance to facilities and problems relating to the examinations, etc.

A list of these students will be kept by the Student Debtors division, which should be contacted to clear these credits to students' account. The telephone number is (015) 962-8467 / 8957.

2.5 Electronic payments

Students can make use of this system to pay their accounts online by supplying a credit card number, card holders name, expiry date and CVV number.

Steps to be followed:

1. Log using your student number and pin
2. Click on "My Gate Online Payment"
3. Click on "Process Online Payment"
4. Enter the amount
5. Click the "Pay Now" button to continue with the transaction.

2.6 FUNDI previously known as Edu-Loan

All employees and their dependents who enrolled with the University may apply for Fundi study loan. To do so a student/guardian will have to:

- complete and sign a salary deduction instruction
- provide three latest salary slips/advice
- provide a certified copy of his/her identity document
-

The conditions of FUNDI are as follows:

The study fees include the registration fee and the cost of the subjects for which a student has enrolled at the **University** for the period concerned.

Repayment of the study loan takes place over a period of ten (10) months via a salary deduction facility, administered by Fundi.

If a student wants to register for additional subjects after the initial registration has taken place, a student will have to do so by means of a cash payment. The salary deduction facility cannot be used for this purpose.

The documents required for loan application processing are as follows:

- Identity document
- Recent payslip/salary advice
- Fees statement or quotation from the institution of higher learning

Loan approved will be recovered from minimum period of 3 up to 36 months depending on affordability.

Students may direct enquiries to any Financial Aid Division office or to

Fundi's client services on telephone **(015) 962-8189**.

2.7 NSFAS grant and bursaries

All students who successfully applied at NSFAS and other bursaries must provide a proof of funding to be able to register without paying a minimum fee.

Applicants will know about the outcome of their applications by the second week after reopening for the first term. Students whose applications are not successful should register with the normal initial amount payable by all other students.

3. LATE PAYMENT OR NON-PAYMENT OF FEES

All fees must be paid by the dates stipulated in section 4. Failure to do so will result in the following:

- Student's examination results will not be released.
- Students will not be allowed to enroll for the next registration cycle.
- Students will be held liable for outstanding fees.
- Outstanding debts will be handed over to the University's legal collections department.
- Student diploma/degree certificate will not be issued.

Any applicant whose fees are outstanding or whose fee account has been handed over for debt collection will be prohibited from registration. Furthermore, any applicant whose fees were previously written off will be prohibited to register until such time the written off fee is settled in full. Any fee defaulter from previous years wishing to re-register must comply with the following conditions:

- all arrears must be paid in full on the day of registration, by EFT.
- No letter of authority, debit orders, bursary or loan documents will be accepted in these instances. Sponsors assisting these students are required to pay the arrears in full before the current registration will be considered.

The non-receipt of statements/invoices due to incorrect email addresses will not be an acceptable reason for the non-payment of fees. Statements/Invoices will be emailed to students on a regular basis once the students have registered.

It is at all times the student's responsibility to inform the University of any change of email address (change of email address supplied at the date of registration)
