GLOBAL'S FALL 2022 NEW SERIES INFORMATION

NEW FALL PRIMETIME SERIES PREMIERE DETAILS AND DESCRIPTIONS

***So Help Me Todd* – Season 1 – NEW SERIES**

Premieres Thursday, Sept. 29 at 9 p.m. ET/PT

So Help Me Todd stars Academy Award® winner Marcia Gay Harden and Skylar Astin as razor-sharp, meticulous attorney Margaret Wright (Harden) and Todd (Astin), her talented but scruffy, aimless son whom she hires as her law firm's in-house investigator. As the black sheep of the well-heeled Wright family, Todd is a laid-back, quick-thinking, excellent former private detective who fell on hard times after his flexible interpretation of the law got his license revoked. Margaret's penchant for excellence and strict adherence to the law is at complete odds with Todd's scrappy methods of finding his way through sticky situations: by the seat of his wrinkled pants. When Todd inadvertently teams with his mother on a case, she's surprised to find herself duly impressed by – and proud of – his crafty ability to sleuth out information with his charm and his wide-ranging tech savvy. At last, Margaret sees a way to put her son on a "suitable" path to living an adult, financially solvent life she approves of, and she asks him to join her firm. Todd agrees, since it means getting his license back and once again doing the job he excels at and loves. Mother and son working together is a big first step toward mending their fragile, dysfunctional relationship, and they may even come away with a better understanding of each other at this pivotal point in their lives. But whether Todd and Margaret will be able to accept each other for who they are is another case entirely.

So Help Me Todd stars Marcia Gay Harden as Margaret, Skylar Astin as Todd, Madeline Wise as Allison, Tristen J. Winger as Lyle, Inga Schlingmann as Susan, and Rosa Arredondo as Francey. Scott Prendergast, Liz Kruger & Craig Shapiro (pilot only), Elizabeth Klaviter, Dr. Phil McGraw, Jay McGraw and Julia Eisenman are executive producers. Executive producer Amy York Rubin (pilot only) directed the pilot from a script by Prendergast. The series is produced by CBS Studios. Distributed by Paramount Global Content Distribution.

***Fire Country* – Season 1 – NEW SERIES**

Premieres Friday, Oct. 7 at 9 p.m. ET/PT

Fire Country stars Max Thieriot (*SEAL Team*) as Bode Donovan, a young convict seeking redemption and a shortened prison sentence by joining an unconventional prison release firefighting program in Northern California, where he and other inmates are partnered with elite firefighters to extinguish massive, unpredictable wildfires across the region. It's a high-risk, high-reward assignment, and the heat is turned up when Bode is assigned to the program in his rural hometown, where he was once a golden all-American son until his troubles began. Five years ago, Bode burned down everything in his life, leaving town with a big secret. Now he's back, with the rap sheet of a criminal and the audacity to believe in a chance for redemption with Cal Fire. Inspired by series star Max Thieriot's experiences growing up in Northern California fire country.

Fire Country stars Max Thieriot as Bode, Billy Burke as Vince, Kevin Alejandro as Manny, Diane Farr as Sharon, Stephanie Arcila as Gabriela, Jordan Calloway as Jake, and Jules Latimer as Eve. Tony Phelan, Joan Rater, Tia Napolitano, Max Thieriot, David Grae (pilot only), Jerry Bruckheimer, Jonathan Littman and KristieAnne Reed are executive producers. Executive Producer James Strong (pilot only) directed from a story co-written by Phelan, Rater and Thieriot, and a teleplay by Phelan and Rater. The series is produced by CBS Studios. Distributed by Paramount Global Content Distribution.

The Real Love Boat – Season 1 – NEW SERIES

Premieres Wednesday, Oct. 5 at 10 p.m. ET/PT

The new reality romance adventure ***The Real Love Boat***, inspired by the classic hit scripted series *The Love Boat*, sets sail on Princess Cruises in 2022. *The Real Love Boat* brings singles together to travel the Mediterranean on a luxury cruise ship while looking for love. Destination dates, challenges and surprise singles will test the couples' compatibility and chemistry. Like the beloved original scripted series, the indispensable crew members, including "captain" and "cruise director," who will be selected from actual Princess crew members, will play pivotal roles in the matchmaking and navigation of the romantic (and sometimes turbulent) waters ahead. After almost a month at sea, only one winning couple will make it to the final port and take home a cash prize plus a once-in-a-lifetime trip courtesy of Princess Cruises, the series' exclusive cruise line partner. The "The Love Boat" IP is owned by CBS Studios which, along with CBS, are Paramount Global brands.

The series is hosted by Rebecca Romijn and Jerry O'Connell. Chris Culvenor, Paul Franklin and Wes Dening serve as executive producers for Eureka. The series is produced by Eureka Productions in association with Buster Productions. Distributed by Paramount Global Content Distribution.
