NEW SUNDAY DRAMAS
PREMIERING SEPT. 3!

Three popular drama series return with brand new seasons this month, making Sunday nights just as hot in September as they were in July!

We kick off the drama at 7:00 with a new season of **Professor T**. Professor Jasper Tempest and the team untangle a series of knotty crimes ranging from an unexplained fire in a student block to the mystery of an entire family found dead in their home. Ben Miller returns as star of this UK version of the original Belgian TV drama.

At 8:00, enjoy the long-awaited return of **Unforgotten** on **MASTERPIECE**. Fans will remember that Season 4 ended with the death of DCI Cassie Stuart, played by Nicola Walker (now starring in the **MASTERPIECE** series **Annika** which premieres next month). In Season 5, DCI Jessica "Jess" James joins DI Sunny Khan to investigate the discovery of human remains in a newly renovated antique home in West London. The ghost of much-loved former colleague Cassie Stuart looms large over the team, and Jess knows there will be big shoes for her to fill. Sunny's grief puts a strain on his relationship with fiancée Sal.

A new season of **Van der Valk** on **MASTERPIECE** completes the trio of new dramas at 9:00. For Piet Van der Valk (Marc Warren), it's a new day and a new dawn as he welcomes two new sergeants to the team, the hotshot but impulsive Eddie Suleman and the technical whiz Citra Li.

You can binge watch ALL THREE new dramas beginning Sept. 3 with PASSPORT!
