

Choo Choo Hello

Song Description & Lyrics

About the Song

This is a greeting song. It is common in music therapy to use consistent hello and goodbye songs for each session. They act as auditory cues to remind the young person that it is the start or end of music time. This song uses the analogy of a train as trains are a common favourite topic among children. The action to accompany this song is to move around the room like a train. Instruments to accompany the song could include train whistles. The lyrics of the chorus are repetitive to encourage intentional vocalisation.

Song Lyrics

Time for the music train to say
Choo choo choo hello
Chugging down the tracks
Hear that whistle blow
So if you wanna have some fun
Come on, sing along

Chorus

Choo choo choo choo
Choo choo choo
Choo choo choo hello
Choo choo choo choo
Choo choo choo
Choo choo choo hello
We're gonna have a real good time
Come along and stay a while
Choo choo choo choo
Choo choo choo
Choo choo choo hello

Time for the music train to say
Choo choo choo hello
It's come into to the station
Ready for the show
So if you wanna have some fun
Come on, sing along

Repeat Chorus Twice
