Dear Parents

Sex education is a compulsory element in all Key Stages within the National Curriculum. In Year 3 the aim is to give children accurate information about their bodies.

The programme will be delivered by members of Year 3 teaching staff and classes split into biologically boys and biologically girls separately.

Topics that will be discussed are:

- Parts of the Body

If you have any further questions, please do not hesitate to contact the school or class teacher.

Yours sincerely

Mrs T Chudleigh
