Section A

Download Requirements

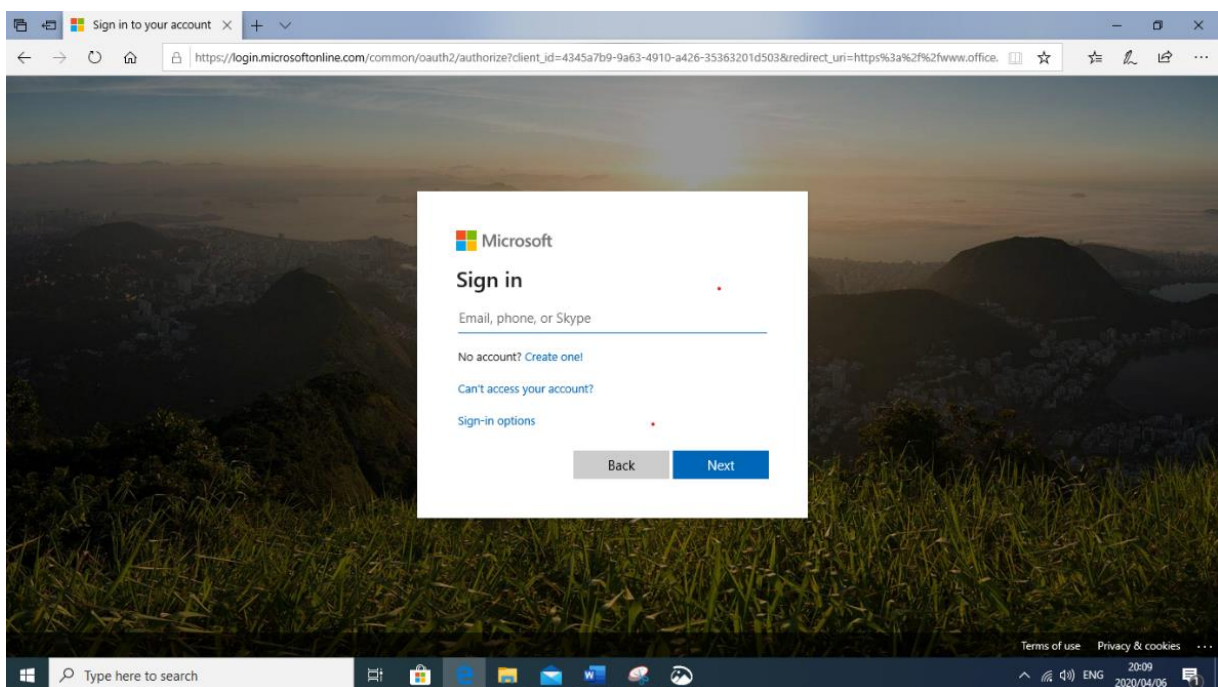

- Stable Internet Connection
- Suitable memory on device
- Registered UP credentials

Step 1: Access Microsoft Office Account

1. Go to the website www.office.com.

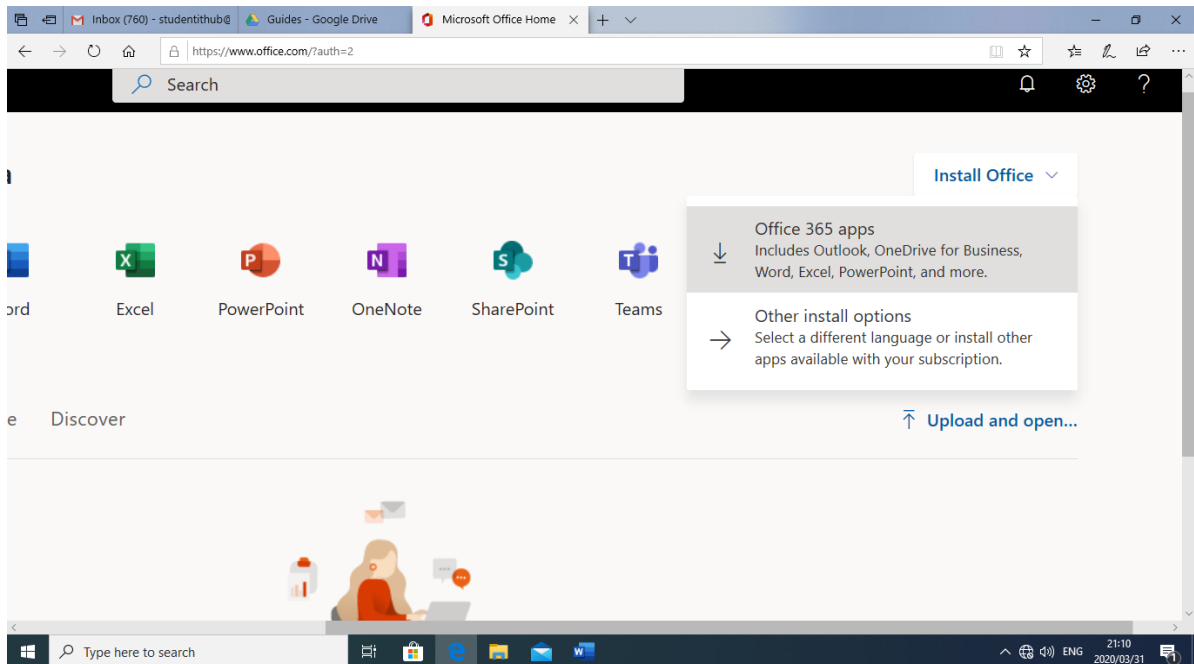

Step 2: Signing In

1. Sign in to the provided tab with your University of Pretoria credentials, making sure you use the correct email; u12345678@up.ac.za and the corresponding UP portal password.

Step 3: Installing Applications

1. Once signed in, you will be taken to a page that enables you to install the applications onto your device. This option is found on the top righthand corner of your screen. Click the option to “Install” and download the applications onto your computer. These applications should download within in a time of 1 to 5 hours, depending on the speed of your device and internet connection.

Should you experience any issues with the preceding steps, please feel free to send an email to studentithub@tuks.co.za.
