

## Intermountain COVID-19 Testing Sites

Connect Care/physician office and UDOH should refer to the following locations for COVID-19 testing. Patient may present via car or any other transportation method. Please have the patient call when presenting at these sites (phone numbers will be posted at each of the sites).

Evaluation and treatment are available at any Instacare or hospital emergency department when appropriate. See the contact information below.

\* Not an Instacare

\*\* Lab Specimen Collection Only – Must have order

Re-evaluation of Testing Sites will occur when:

- Curbside testing sites get operationalized.
- Testing is discontinued due to prevalence in the community.
