WHY TAKE THE ACT TEST?

SAVE \$\$\$\$ ON TUITION

Taking the ACT test can increase your chances of earning new or better scholarships.

1

2

TAKE THE RIGHT CLASSES

Your ACT score can help you place out of remedial coursework rather than sitting for additional placement tests on campus — saving time and money!

YOU'RE ALREADY PREPARED

Every question on the ACT is based on the high school curriculum you are already familiar with. While you've been studying for your classes, you've been preparing for the ACT.

3

4

BE STEM READY

The ACT gives you the chance to stand out with a unique STEM score—a measure of preparedness for courses in STEM-related majors.

CALCULATE THE RIGHT ANSWERS

Students who take the ACT can use a calculator for the entire math section! The SAT does not allow this.

5

FEE WAIVERS

Ask your counselor if you qualify for a fee waiver to take the ACT test for free. Fee waivers cover registration for up to 4 national tests, unlimited score reports, and provide free access to The Official ACT® Self-Paced Course, Powered by Kaplan®.
