## CDOT EXPRESS LANES

- Express Lanes increase roadway capacity and help manage congestion on Colorado highways by adding lanes that provide a new choice to drivers. Motorists can choose to ride the bus, carpool or pay a toll to use the Express Lanes as an alternative to the free general-purpose lanes.
- Tolls collected through an ExpressToll account or License Plate Toll bill mailed to the registered owner of the vehicle
- Operated by the Colorado Department of Transportation (CDOT) and the Colorado Transportation Investment Office (CTIO)
