We really really are Anxious to see your final offer on this requirement. A ¢ Cliff: Well, I'm sure Acme will offer the best value for the government. Our approach to the CLS F-2000 program has to be superior to our competitors, and I am sure we have the lowest cost as well. A, Gloria: Now let's go ... You know what we can 'T discuss the proposals Technical / cost of competitors. This information is protected by Procurement Integrity Act. Still, I know that you in Acme are offering great CLS closer, it complements your F-2000 very well. If I were you, I would feel a very confident cliff. ¢: Well, I appreciate your frankness, teammate (Nudge, Wink, Wink). I am very happy that the government has changed the way he works with contractors. After all, we are really part of the national defense team, and I am sincere when I say that.Ã ¢ Gloria: Well, it is a cliff relationship. More productive: You know, Gloria, that we really are teammates And this new approach to the F-2000 will do much for national defense. After the contract award ... assuming that obtaining the contract, it will be fundamental that you do not put the right person in charge of the CLS program project. We'll need someone who knows how to work inside the government, let's go to another need that has contacts within the agencies. We'll need someone with qualities like ... Well, like you. Gloria: Oh, you flatter me a cliff: Not at all. And I'm a good time. It is important for the success of the F-2000 program that we have the right person. It is not only important for Acme, but it is also important for Team. â & & Gloria: Well, I think we both know it's a little premature to be talking about something like this then let's go This discussion until after the contract is awarded. We both want it perfectly clear that there were lines were crossed, okay. & Cliff: You can bet. We want to deal with this strictly by Numbers. An Gloria: Then, when it is your vain this afternoon ... (Last modification: 2019/10/16) Download Goals of the course Description This module reinforces the most important legal statements that govern the interaction between government officials and doda's contractors. RES discussed include conflicts of interest; Contractor gratições; Procurement Integrity Act; work of hunt for a position with private industry, while still employed with the federal government; restrictions on the employment of the government and contractor employees work in common spaces on common goals as a single team. In this interactive training, the professionals will be placed in place of the government's official before the dilemma and to be obliged to deduce an ethically correct way to solve the problem.
