WE BUY SALVAGE

TCS is actively looking to buy salvaged trucks, trailers, surplus parts, and used trucks.

WIDE SELECTION & UNBEATABLE PRICE

For all makes and models, we have a wide selection of new, used, surplus, rebuilt, aftermarket, re-manufactured, reconditioned, and OEM parts at an unbeatable price with quality service that you can depend on.

ON SITE STORAGE

Competitively priced truck and tractor trailer storage is available for your salvage units. TCS also offers regional pickup and delivery options.

(800) 291-3451

NATION WIDE DELIVERY

Whether in a box trailer, container, or on a flat bed, we ship to all 50 states. Most items are received within 7 to 10 business days--usually less!

OVERSEAS EXPORTING

TCS welcomes orders from across the globe. Shipping benefits depends on availability, order deadlines, and in some cases the shipping address. Next day delivery is offered by most overseas freight companies with insurance coverage for damaged or lost items.

ON SITE INSTALLATION

TCS has a complete in-house service garage. We will install all parts purchased from us or someone else. Have a trade proposal? Just ask! We will trade quality parts for unwanted parts.

COMPLETE DEALERSHIP SUPPORT

TCS is a division of The Larson Group and is affiliated with all TLG dealerships. We have access to Peterbilt parts, additional tech support, and are able to provide referrals to a Peterbilt dealership nearest you.

WE ARE YOUR ONE STOP SHOP!

We offer a one year, nationwide, unlimited mileage warranty for all rebuilt transmissions and differentials.

Although TCS does not offer a guarantee on used parts, we will go out of our way to provide you with the best support. We will handle any parts complaint or concerns on a personal, case-by-case basis. We are here to satisfy and serve you time and time again.
