

Benefit Eligibility: Your Responsibilities as a New Employee at NSU

Congratulations on your new position and welcome to Nova Southeastern University! This notice contains important information about your benefit eligibility and what you'll need to do to participate in some of the benefits provided at NSU.

Your special enrollment window to elect benefits as a new employee is 30 days (your date of hire plus 29 days). Benefit information will be presented during New Employee Orientation, **if for any reason you do not attend orientation you are still required to elect benefits within the 30-day window.**

Medical, dental, vision, flexible spending, and optional life insurance elections are irrevocable during the benefit plan year which runs from April 1st to March 31st. **If you do not make elections during your special enrollment window your next opportunity to elect benefits will be during the university's annual Open Enrollment in February for an effective date of April 1st.** In some cases, changes can be made to your benefits if you are experiencing a qualified status change as defined by Internal Revenue Code 125 and the ICUBA plan document. Benefit changes made due to qualified status changes require documentation which must be uploaded to your Employee File in the ICUBA Benefit Portal online at <http://icubabenefits.org>. In cases where documentation is not provided in accordance with the 30 day requirement, the request to make benefit changes will be denied.
