

Lindblom once again ranked #11 in Illinois by US News & World Reports!

2019 Rankings

Lindblom Math and Science Academy is ranked #272 in the [National Rankings](#). Schools are ranked on their performance on state-required tests, graduation and how well they prepare students for college. Read more about [how we rank the Best High Schools](#).

All rankings:

- #272 in [National Rankings](#)
- #11 in [Illinois High Schools](#)

Congratulations to the Lindblom Electric Eagles Robotics Team!

After winning the Central IL Regional Competition, the robotics team traveled to the World Championship in Detroit. At the competition the team went 5-5-0 and finished with a Rank of 38 out of 68 in the Darwin division, making this the best season we have had in the 14 years of our history. We should all be so proud of our students. Go Team 1781!

Aspen: Parent Portal

CPS sent out new login information to parents this past week for the new ASPEN Parent Portal. If you did not receive login information, please complete [this short form](#) so that Aspen can send you login information.

If you'd like to learn more about how to access and use the new Parent Portal visit: <https://cps.edu/Pages/parentresources.aspx>

AP Testing Schedule

AP students you can find the Testing Schedule [here](#) on Lindblom's website.

Lindblompalooza: Visual Art Showcase "Done. But..."

Please come to "Done, But"- Advanced Arts Lab end of year showcase!!! This will be on the 3rd floor in Tres Gallery from 4-6pm on Thursday, May 9th! There will be light refreshments, and many visual, sonic, interactive, and temporary pieces to experience. Our students have been hard at work on their Concentration projects for most of 2nd semester.

TWO MORE WEEKS TO BUY A YEARBOOK!

The 100th Lindblom yearbook is now on sale for only \$40. Yearbooks can be purchased in the main office or online in the student fees section. Yearbooks must be ordered in advance this year. There will be no extra copies available for purchase. **The last day to buy a yearbook is May 15th.**

2nd Annual Lindblom Culture Club Dance Friday 5/17 7-10PM

The Lindblom Latino Culture Club cordially invites you to our 2nd annual Latin theme dance, Vamos a la Playa! The dance will be on Friday, May 17th from 7 PM to 10 PM in Ballroom Room 317. Tickets can be purchased from Mr. Alaves in the Counseling Suite or Latino Culture Club members, and they are 1 ticket for \$12 or 2 tickets for \$20. All AC and high school students are encouraged to attend! Outside guest forms may be picked up in the main office.

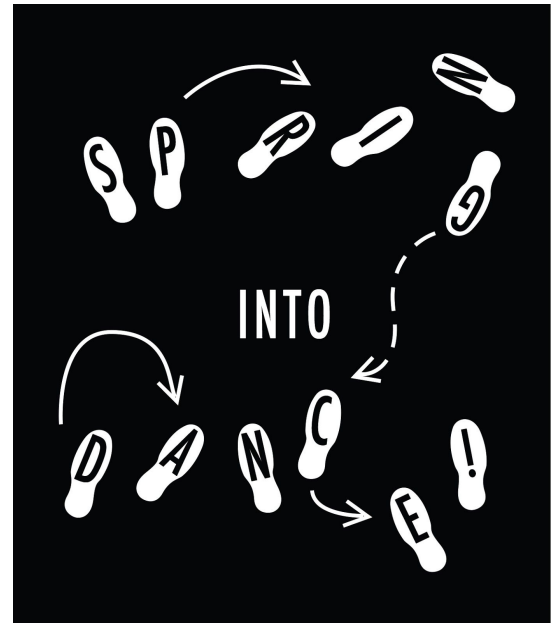

Parents, we would love to have you, volunteer! You may contact Mr. Alaves at jfalaves@cps.edu if you are interested in volunteering for more information.

Spring Dance Concert

Please come to see The SPRING DANCE CONCERT on Friday, MAY 10th at 6:30 pm in Keeler Hall. The showcase features Dance I, II, III, Advanced Dance Lab, and Lindblom Dance Ensemble. The doors open at 6:00 pm and suggested donations will be collected at the main entrance. Please email Ms. Gross at jegross1@cps.edu with any questions. The dancers hope to see you there!

Hiring for 19 -20

Visit LindblomEagles.org for more information OR visit [CPS Careers to Apply](#).

- **Computer Science Teacher**

- Lindblom Math & Science Academy is seeking talented candidates who have an interest in Computer

Science/Engineering Curricular development and an understanding of equity issues related to STEM education to join our Career Technology Education (CTE) department. Lindblom currently offers programs in Engineering, covering the design process, mechanical, electrical and civil engineering and Computer Science programs in Video Game Design & Development, Networking/Cybersecurity, and Web Design. We are looking for passionate candidates interested in augmenting and expanding our current programs.

- **Visual/Performance Arts Teacher**

- Full-time position opening in the FAVPA (Fine, Visual Applied and Performing Arts) Department at Lindblom Math and Science Academy for 2018-2019 school year. We are accepting applications from Visual, Dance, Theatre, and Arts Inclusion teachers.
- Interest in teaching middle school classes, and experience in Special Ed inclusion and/or ESL preferred. Strong candidates will have a 9-12 or 6-12 teaching license and a positive disposition towards working with both gifted students and students with special needs. Experience and interest in directing or designing theatrical productions are preferred.

- **Bilingual Clerk Assistant**

- Lindblom is seeking a Clerk Assistant that will be part of a collaborative team that supports parents, students, and staff to ensure the smooth functioning of the school. The Clerk Assistant will support the clerk with purchasing, payroll, and substitute teacher placements. The Clerk Assistant will be responsible for textbook management which is including inventory, issuing books to students and organization of the book room. The Clerk Assistant will support the Case Manager with file management, records and mail notifications for parents. The Clerk Assistant will also translate as needed for parent meetings. The Clerk Assistant will be responsible for calling parents of students with consistent attendance issues plus other duties as needed.

- **Bilingual Dean 7 - 9**

- Lindblom is seeking a Bilingual Dean that will be part of the student support team for students in grades 7 - 9. The Dean will be responsible for ensuring restorative practices are implemented in alignment with the CPS Code of Conduct and CPS policies to ensure students always learn from any behavior they undertake. The Dean will also be responsible for holding parent meetings with students who have consistent attendance issues. Dean will coordinate closely with the Assistant Principal for grades 7 - 9 and attend all weekly grade level meetings.

- **Librarian and Peer Tutoring Center Director**

- Lindblom is seeking a dynamic, creative, and organized library media specialist that will manage both the library and our peer tutoring center within our very popular library. The library media specialist must be able to build relationships and work well with students from 7th-12th grade as well as with teachers from a variety of content areas for research lessons and book talks. In addition, the library media specialist will maintain and update the physical library as well as the e-resources available. Ideally, the library media specialist will also run our Peer Tutoring Center which runs on lunch periods where the candidate will teach students how to tutor others. Also, the library media specialists helps to organize and check out technology to students and teachers. Requirements: Masters in Library Science, Endorsement in Library Science, and/or CPS short-term librarian authorization are all accepted. Previous teaching experience in CPS is a plus as is knowledge of SOAR (CPS's online catalog). Our current librarian also sponsors the literary magazine, so this extracurricular is a plus as well.

Summer Acceleration Courses

Lindblom is offering multiple summer courses this summer.

Lindblom Summer Band and Music Theory Intensive

Dates: *June 24-July 5, and July 15-22, 2019

Hours: 8:30 AM - 1:30 PM MTWRF

Credit: 1 Fine Arts HS Elective Credit

Cost \$250

The LMSA Summer Band and Music Theory Intensive offers students a comprehensive course experience in concert band instrumental studies and music theory. This course is open to new and experienced students alike. We will work to build students' confidence in performance technique and musicianship, as well as applied theoretical knowledge and music literacy. Students will gain experience beyond the typical band setting with individual and small group lessons, chamber music opportunities, master classes, guest performances, etc. This 3-week course will enable students to continue practicing throughout the summer and will better prepare them for the next level course in the coming school year. In order for students to earn a full semester's worth of credit in this 3-week long intensive, documentation of practicing (35 hours outside of class time) for this course is required. *Please note that we will meet during the last week of June and the first and third weeks of July. This class will not meet during the second week of July, so this will be a great time for students to complete the bulk of their practicing requirements. Since July 4th is a holiday, the final day of classes will occur on Monday, July 22 to account for the day off.

Exploring Computer Science

July 8 - July 26 (from 8 am - 2 pm)

Credit: 1 ECS Credit - Graduation Requirement

Cost: \$250

Description_

This course is designed to introduce students to a wide range of opportunities in the field of computer science through exploration of engaging and accessible topics. It covers how computers impact our everyday lives, how to analyze data, how to code to create programs and games, and how the Internet works. Each student will develop critical thinking, problem-solving, collaboration, writing, and speaking skills as they become better prepared for college and careers. Throughout the course, students will be engaged in projects that demonstrate the real-world application of computing.
