## C. Evidence of Neighborhood Support

Please provide evidence of neighborhood support for participation in the program. The attached form can be used for this request. Evidence of support must be within the study area as identified in Section A. Additional copies of this page may be submitted to secure the required number of signatures.

We the undersigned owners and residents of \_\_\_\_\_ hereby offer our support for our neighborhood's participation in the traffic calming study.

Please secure signatures from residents representing at least 2/3 of the households whose property is next to the street segment in question. **For speeding issues, street length must be at least 1/4 mile long.** To determine the number of signatures needed use the following formula:

Number of properties = \_\_\_\_\_ multiplied by 0.67 = \_\_\_\_\_ (round **up** to the next whole number)

**By signing this form, you give your consent for placement of the traffic calming treatment next to your property & you understand on-street parking may be removed.**
