USAF THUNDERBIRDS TEAM AERIAL DEMONSTRATION

This aerial demonstration is conducted in honor of the graduating Class of 2021. This event exhibits to the public the technical and professional capabilities of the United States Air Force. The team is comprised of selected pilots assigned to Air Combat Command and demonstrates the coordination, discipline, and flying ability required of combat-capable pilots to fulfill their vital role in our nation's defense.

Federal Aviation Administration regulations prohibit spectators from being within 1,500 feet of the flight path during acrobatic aerial demonstrations. Therefore, for your own safety and to comply with FAA regulations, NO ONE will be permitted to leave the stadium after the graduation ceremony until the conclusion of the Thunderbirds demonstration.

THE CLASS OF 2021 JAMES ROBINSON "ROBBIE" RISNER

Each class at the Academy has identified a person who has served significantly in the Air Force to be an exemplar to follow.

Oath of Office

I, _____,

having been appointed a Second Lieutenant

in the United States Air Force, do

solemnly swear (or affirm) that I will

support and defend the Constitution of

the United States against all enemies,

foreign and domestic; that I will bear true

faith and allegiance to the same; that I

take this obligation freely, without any

mental reservation or purpose of evasion;

and that I will well and faithfully

discharge the duties of the office upon

which I am about to enter.

So help me God.

Air Force Song

**Off we go into the wild blue yonder,
Climbing high into the sun**

**Here they come zooming to meet our thunder,
At 'em now, Give 'em the gun!**

**Down we dive, spouting our flame from under,
Off with one helluva roar!**

**We live in fame or go down in flame. Hey!
Nothing'll stop the U.S. Air Force!**

Academic Mace

The academic mace, displayed on the stage, was first used in the 14th century and is descended from the club of Hercules.

The globe at the bottom of the mace represents the world from which our cadets come. It bears the phrase, “Expect great things,” which is the challenge issued by General Nathan Twining, Air Force Chief of Staff, to the first entering class of the US Air Force Academy after their arrival at Lowry Air Force Base, Denver, Colorado, on July 11, 1955.

The four contrails emanating from the globe symbolize the trajectory of cadets as they prepare for the future. They first pass through the ring of Air Force core values—Integrity, Service, and Excellence; the lightning bolts on the ring signify athletic excellence.

The second ring symbolizes the ideals of Athens focused on learning and arts; the stars represent academic excellence.

The third ring embodies the warrior spirit of Sparta; the wreaths denote military excellence. Rising from the final ring are four airfoils that characterize today’s final launch of our newest leaders of the highest character.
