Been there, done that - about a thousand times? Then it is definitely time to switch sides and show that hero just who's who in the dungeon! Assume the role of a mighty (and mighty evil) Dungeon Lord and create your own diabolical demesnes underground. Dim-witted goblin workers tremble as they await your orders and dig corridors and rooms into the rock at your command. Heroes will visit your dungeon in search of battle and treasure. Naturally, you could always just annihilate them with a snap of your fingers. But isn't it more entertaining and deliciously evil to watch them attain their heart's desire - and then take take it ALL away? So throw them a few treasures and some equipment, give them a couple of fights for entertainment and cherish and look after them. And once they are finally happy enough - it's time for the "harvest". For happy heroes have more valuable soul energy for you to gleefully extract from them in your prison or torture chamber! But even though these self-proclaimed warriors for the good are not much more than an excellent source of resources for you, you still should not underestimate them. If you've beaten up too many of their friends, the powerful and vindictive Champions will occasionally make their way to your Dungeon. Perhaps a small sum could persuade them to forget their moral and ethical principles for once? In addition to the heroes, you should also always keep an wary eye on the underground. For the competition never sleeps, and other Dungeon Lords would like to claim your territory for themselves. As if that were not enough, another Dungeon Lords would like to claim your territory for themselves. As if that were not enough, another Dungeon Lords would like to claim your territory for themselves. As if that were not enough, another Dungeon Lords would like to claim your territory for themselves. sneaky beings such as yourself are already hard at work trying to take his place! The game revolves around Deimos, foremost of all Dungeon Lords. He falls victim to a devious plot hatched by his vile, nasty, thoroughly vicious ex-girlfriend Calypso, and suddenly finds himself at the bottom of the hierarchy and the top of the dungeon once again. As the story proceeds Deimos tries to regain his old place and have his well-deserved revenge on Calypso. First, however, he will have to deal with his new bosses. On the one hand, there's the Zombie King, who is about as intelligent as your average undead zombie is likely to be, and on the other there's hot-blooded Minos, who likes to solve problems using violence or, alternatively, more violence. Be insidious! Three different Boss Monsters await in order to give you a real hard time. Get rid of them to become the one and only Dungeon Lord! Get ready for a fight! 10 different classes of heroes dare to enter your dungeon where 15 different monsters lurk in the dark The 17 campaign missions demand your whole cunningness as evil dungeon lord. If you manage to survive them there's still the custom game waiting for you. Prison cells and torture chambers are ready for your command and await "customers" Create the dungeon of your dreams with 50 different objects Wimpy goblin workers await your commands and create the dungeon after your wishes. Maybe your PC doesn't meet the hardware requirements; maybe you bought a game by mistake; maybe you played the title for an hour and just
didn't like it. It doesn't matter. Valve will, upon request via help.steampowered.com, issue a refund for any reason, if the request is made within the required return period, and, in the case of games, if the title has been played for less than two hours. There are more details below, but even if you fall outside of the refund rules we've described, you can ask for a refund anyway and we'll take a look. You will be issued a full refund of your purchase within a week of approval. You will receive the refund in Steam Wallet will be credited the full amount. (Some payment methods available through Steam in your country may not support refunding a purchase back to the original payment method. Click here for a full list.) The Steam refund offer, within two weeks of purchase and with less than two hours of playtime, applies to games and software applications on the Steam store. Here is an overview of how refunds work with other types of purchased from the Steam store content usable within fourteen days of purchase, and if the underlying title has been played for less than two hours since the DLC was purchased, so long as the DLC has not been consumed, modified or transferred. Please note that in some cases, Steam will be unable to give refunds for some third party DLC (for example, if the DLC irreversibly levels up a game character). These exceptions will be clearly marked as nonrefundable on the Store page prior to purchase. Refunds on In-game Purchases Steam will offer refund for in-game purchases within any Valve-developed games within forty-eight hours of purchase, so long as the in-game items on these terms. Steam will tell you at the time of purchase if the game developer has opted to offer refunds on the in-game purchases in non-Valve games are not refundable through Steam. Refunds on Pre-Purchase a title on Steam (and have paid for the title in advance), you can request a refund at any time prior to release of that title. The standard 14-day/two-hour refund period also applies, starting on the game's release date. Steam Wallet Refunds You may request a refund for Steam Wallet Rendered 14-day/two-hour refund period also applies, starting on the game's release date. Steam Wallet Refunds You may request a refund for Steam Wallet Rendered 14-day/two-hour refund period also applies, starting on the game's release date. and services, Steam offers periodic (e.g. monthly, yearly) access that you pay for on a recurring basis. If a renewable subscription has not been used during the current billing cycle, you may request a refund within 48 hours of the initial purchase or within 48 hours of any automatic renewal. Content is considered used if any games within the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription at any time by going to your account details. Once cancelled, your subscription will no longer automatically renew but you will retain access to the content and benefits of the subscription through the end of your current billing cycle. Steam Hardware Within the applicable time frame and process identified in the Hardware Refund son Bundles You can receive a full refund for any bundle purchased on the Steam Store, so long as none of the items in the bundle have been transferred, and if the combined usage time for all items in the bundle is refundable during check-out. Purchases Made Outside of Steam Valve cannot provide refunds for purchases made outside of Steam (for example, CD keys or Steam wallet cards purchased from third parties). VAC Bans If you have been banned by VAC (the Valve Anti-Cheat system) on a game, you lose the right to refund that game. Video Content We are unable to offer refunds for video content on Steam (e.g. movies, shorts, series, episodes, and tutorials), unless the video is in a bundle with other (non-video) refundable content. Refunds on Gifts Unredeemed gifts may be refunded under the same conditions if the gift recipient initiates the refund Funds used to purchase the gift will be returned to the original purchaser. EU Right of Withdrawal For an explanation of how the EU right of withdrawal works for Steam—not as a way to get free games. If it appears to us that you are abusing refunds, we may stop offering them to you. We do not consider it abuse to request a refund on a title that was purchased just before a sale and then immediately rebuying that title for the sale price. Third-party developers will have the option to enable refunds on the in-game item you are buying. Otherwise, in-game purchases in non-Valve games are not refundable through Steam. Refunds on Pre-Purchased Titles When you pre-purchase a title on Steam (and have paid for the title in advance), you can request a refund at any time prior to release date. Steam Wallet Refunds You may request a refund for Steam Wallet funds within fourteen days of purchase if they were purchased on Steam and if you have not used any of those funds. Renewable Subscriptions For some content and services, Steam offers periodic (e.g. monthly, yearly) access that you pay for on a recurring basis. If a renewable subscription has not been used during the current billing cycle, you may request a refund within 48 hours of the initial purchase or within 48 hours of any automatic renewal. Content is considered used if any games within 48 hours of the initial purchase or within 48 hours of any automatic renewal. used, consumed, modified or transferred. Please note that you can cancel an active subscription at any time by going to your account details. Once cancelled, your subscription through the end of your current billing cycle. Steam Hardware Within the applicable time frame and process identified in the Hardware Refund Policy, you may request a refund for Steam hardware and accessories purchased on the Steam Store, so long as none of the items in the bundle have been transferred, and if the combined usage time for all items in the bundle is less than two hours. If a bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell you if the whole bundle is refundable, Steam will tell

VAC Bans If you have been banned by VAC (the Valve Anti-Cheat system) on a game, you lose the right to refunds for video content We are unable to offer refunds for video content on Steam (e.g. movies, shorts, series, episodes, and tutorials), unless the video is in a bundle with other (non-video) refundable content. Refunds on Gifts Unredeemed gifts may be refunded within the standard 14-day/two-hour refund period. Redeemed gifts may be refunded under the same conditions if the gift recipient initiates the refund. Funds used to purchase the gift will be returned to the original purchaser. EU Right of Withdrawal For an explanation of how the EU right of withdrawal works for Steam customers, click here. Abuse Refunds are designed to remove the risk from purchasing titles on Steam—not as a way to get free games. If it appears to us that you are abusing refunds, we may stop offering them to you. We do not consider it abuse to request a refund on a title that was purchased just before a sale and then immediately rebuying that title for the sale price. You can request a refund or get other assistance with your Steam purchases at help.steampowered.com. Definitions Wherever we talk about Personally Identifying Information") or that can be connected to you indirectly by linking it to Personally Identifying Information. Valve also processes anonymous data, aggregated or not, to analyze and produce statistics related to the habits, usage patterns, and demographics of customers as a group or as individuals. Such anonymous data does not allow the identification of the customers to which it relates. Valve may share anonymous data, aggregated or not, with third parties. Other capitalized terms in this Privacy Policy shall have the meanings defined in the Steam Subscriber Agreement ("SSA"). 2. Why Valve Collects and Processes Data Valve collects and processes Personal Data for the following reasons: a) where it is necessary for the performance of our agreement with you to provide a full-featured gaming service and deliver associated Content and Services; b) where it is necessary for compliance with legal obligations that we are subject to (e.g. our obligations to keep certain information under tax laws); c) where it is necessary for the purposes of the legitimate and legal interests of Valve or a third party (e.g. the interests of our other customers), except where such interests are overridden by your prevailing legitimate interests and rights; or d) where you have given consent to it. These reasons for collecting and processing Personal Data we collect and how we use it (section 3. below), how long we store it (section 4. below), who has access to it (section 5. below) and what rights and other control mechanisms are available to you as a user (section 6. below). 3. The Types and Sources of Data We Collect 3.1 Basic Account Data When setting up an Account, Valve will collect your email address and country of residence. You are also required to choose a user name and a password. The provision of this information is necessary to register a Steam User Account, the account without directly exposing Personally Identifying Information about you. We do not require you to provide or use your real name for the setup of a Steam User Account. 3.2 Transaction and Payment Data In order to make a transaction on Steam Wallet), you may need to provide payment data to Valve to enable the transaction. If you pay by credit card, you need to provide typical credit card information (name, address, credit card number, expiration date and security code) to Valve, which Valve will process and transmit to the payment service provider for the same reasons. 3.3 Other Data You Explicitly Submit We will collect and process Personal Data whenever you explicitly provide it to us or send it as part of community Forums, chats, or when you provide feedback or other user generated content. This data includes: Information that you post, comment or follow in any of our Content and Services; Information you provide when you request information necessary to process your orders with the relevant payment merchant or, in case of physical goods, shipping providers; Information you provide to us when participating in competitions, contests and tournaments or responding to surveys, e.g. your contact details. 3.4 Your Use of the Steam Client and Services offered by Steam. Personal Data we collect may include, but is not limited to, browser and device information, data collected through automated electronic interactions and application usage data. Likewise, we will track your process across our websites and applications to verify that you with services, we need to collect, store and use various information about your activity in our Content and Services. "Content and Services." By game statistics we mean information about your games' preferences, progress in the games, playtime, as well as information about the device you are using, including what operating system you are using, device settings, unique device identifiers, and crash data. 3.6 Tracking Data and Cookies We use "Cookies", which are text files placed on your computer, and similar technologies (e.g. web beacons, pixels, ad tags and device identifiers) to help us analyze how users use our services, as well as to improve the services we are offering, to improve marketing, analytics or website functionality. The use of Cookies, the decision of whether to accept or not is yours. You may adjust your browser settings to prevent the reception of cookies, or to provide notification whenever a cookie is sent to you. You may refuse the use of cookies by selecting the appropriate settings on your browser. The management of the use of cookies for each browser is further detailed on the following help page: . However, please note that if you do this, you may not be able to access the full functionality of our websites. When you visit any of our services, our services shown on the pages of the Steam store and in update messages displayed when launching the Steam Client can be tailored to meet your needs and populated with relevant recommendations and offers. This is done to improve your customer experience. You can prevent the processing of your data in this way by turning off the automatic loading of the Steam store page and of Steam notifications in the "Interface" section of the Steam Client settings. Subject to your separate consent or where explicitly permitted under applicable laws on email address. In such a case we may also use your collected information to customize such marketing messages as well as collect information on whether you opened such messages and which links in their text you followed. You can opt out or withdraw your consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either withdrawing the consent to receive marketing emails at any time by either with the consent to receive marketing emails at any time by emails at any time by either with the consent to receive marketing emails at any time by emails at any ti marketing email. Alternatively, you can select what kinds of emails you wish to receive on the email setting page. 3.8 Information Required for our detection, investigation and prevention of fraud, cheating and other violations of the SSA and applicable laws ("Violations"). This data is used only for the purposes of detection, investigation, prevention and, where applicable, acting on of such Violations and stored only for the
minimum amount of time needed for this purpose. If the data indicates that a Violation has occurred, we will further store the data for the establishment, exercise or defense of legal claims during the applicable statute of limitations or until a legal case related to it has been resolved. Please note that the specific data stored for this purpose may not be disclosure will compromise the mechanism through which we detect, investigate and prevent such Violations. 4. How Long We Store Data We will only store your information as long as necessary to fulfil the purposes for which the information is collected and processed or — where the applicable law provides for longer storage and retention period — for the storage and retention period by law. After that your Personal Data will be deleted, blocked or anonymized, as provided by applicable law. In particular: If you terminate your Steam User Account, your Personal Data will be marked for deletion except to the degree legal requirements or other prevailing legitimate purposes dictate a longer storage. In certain cases, Personal Data cannot be completely deleted in order to ensure the consistency of the gameplay experience or the Steam Community Market. For instance, matches you have played that affect other players' matchmaking data and scores will not be deleted; rather, your connection to these matches will be permanently anonymized. Please note that Valve is required to retain transactional data under statutory commercial and tax law for a period of up to ten (10) years. If you withdraw your consent on which a processing of your Personal Data or your child is based, we will delete your Personal Data or respectively the Personal Data or res your Personal Data, we will review your objection and delete your Personal Data that we processed for the purpose to which you objected without undue delay, unless another legal basis for processing and retaining this data exists or unless applicable law requires us to retain the data. 5. Who Has Access to Data Valve does not sell Personal Data. However, we may share or provide access to each of the categories of Personal Data we collect as necessary for the following business purposes. 5.1 Valve and its subsidiaries may share your Personal Data with each other and use it to the degree necessary to achieve the purposes listed in section 2 above. In the event of a reorganization, sale or merger we may transfer Personal Data to the relevant third party subject to applicable laws. 5.2 We may also share your Personal Data with our third party services in connection with goods, Content and Services distributed via Steam. Your Personal Data will be used in accordance with this Privacy Policy and only as far as this is necessary for performing customer support services. 5.3 In accordance with internet standards, we may also share certain information (including your IP address and the identification of Steam content you wish to access) with our third party network providers that provide content delivery network services and game server services in connection with Steam. Our content delivery network providers enable the delivery of digital content to you, based on your geographic location. 5.4 Google Analytics Our website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses cookies to help the website operators analyze how visitors use the site. The information generated by the cookie about the visitors use the site. The information generated by the cookie about the visitors use the site. The IP addresses of users visiting Steam will be shortened. This information can be accessed by anyone by querying your Steam and your Avatar picture are accessible this way, as well as whether you have received a ban for cheating in a multiplayer game. The accessibility of any additional info about you can be controlled through the Steamworks API. In addition to the publicly available information, game developers and publishers have access to certain information from the Steamworks API directly relating to the game in question. Depending on which Steamworks services are implemented in the game it may also include leaderboard information, your progress in the game, achievements you have completed, your multiplayer game matchmaking information on what Steamworks services a specific game has implemented, please review its store page. While we do not knowingly share Personally Identifying Information about you through the Steamworks API such as your real name or your email address, any information that may make you identifiable. 5.6 The Steam community includes message boards, forums and/or chat areas, where users can exchange ideas and communicate with each other. When posting a message to a board, forum or chat area, please be aware that the information is being made publicly available online; therefore, you are doing so at your own risk. If your Personal Data is posted on one of our community forums against your will, please use the reporting function and the Steam help site to request its removal. 5.7 Valve may allow you to link your Steam User Account to an account offered by a third party with information of your Steam User Account to the degree allowed by your consent at the time. If the linking of the accounts requires the linking and the transmission of information about your person from Valve to a third party, you will be informed about it before the linking takes place and you will be given the opportunity to consent to the linking and the transmission of your information. The third party's use of your information will be subject to the third party's privacy policy, which we encourage you to review. 5.8 Valve may release Personal Data to comply with court orders or laws and regulations that require us to disclose such information. 6. Your Rights and Control Mechanisms The data protection laws of the European Economic Area, United Kingdom, California, and other territories grant their residents certain rights in relation to their Personal Data. While other jurisdictions may provide fewer statutory rights, we make the tools designed to exercise such rights available to our customers worldwide. (When we talk about the GDPR in this section, we mean the version of the GDPR that applies to you in the EU or UK). To allow you to exercise your data protection rights in a simple way we are providing a dedicated section on the Steam support page (the "Privacy Dashboard"). This gives you access to your Personal Data, allows you to rectify and delete it where necessary and to object to its use where you feel necessary. To access it, log into the Steam support page at and choose the menu items My Account. In most cases, you can access, manage, or delete Personal Data in the Privacy Dashboard, but you may also contact Valve with questions or requests via the contact processes described in sections 8 and 10 below. As a resident of the European Economic Area or United Kingdom you have the following rights in relation to your Personal Data: 6.1 Right to require free of charge (i) information whether your Personal Data is retained, (ii) access to and/or (iii) duplicates of the Personal Data retained. You can use the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to charge a reasonable fee (taking into account the administrative costs of providing the information or communication or taking the action requested) or refuse to act on the request. 6.2 Right to Rectification. If we process your Personal Data is accurate and up-to-date for the purposes for which it was collected. If your Personal Data is inaccurate or incomplete, you can change the information you provided via the Privacy Dashboard. 6.3. Right to Erasure. You have the right to obtain deletion of Personal Data concerning you if the reason why we could collect it (see section 2. above) does not exist anymore or if there is another legal ground for its deletion. For individual items of Personal Data please edit them through the Privacy Dashboard or request the deletion via the Steam support page. As a result of deletion your Steam user account, you will lose access to Steam services, including the Steam support page. As a result of deletion of your Steam user account, you will lose access to Steam support page. linked to the Steam User Account and the possibility to access other services you are using the Steam User Account during a grace period of 30 (thirty) days from the moment you request deletion of your Steam User Account. This functionality allows you not to lose your account by mistake, because of your loss of your account credentials or due to hacking. During the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the Steam User Account deletion request. After the grace period, Personal Data associated with your account will be deleted subject to section 4. above. In some cases, deletion of your Steam User Account, and therefore Personal Data
deletion, is complicated. Namely, if your account has a business relationship with Valve, such as due to your work for a game developer, you will only be able to delete your Steam User Account after you have transferred this role to another user or have dissolved the business relationship. In some cases, considering the complexity and number of the requests, the period for Personal Data erasure may be extended, but for no longer than two further months. 6.4 Right to Object. When our processing of your Personal Data is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity and number of the requests, the period for Personal Data is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity and number of the requests, the period for Personal Data is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity and number of the requests, the period for Personal Data is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity and number of the requests, the period for Personal Data is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity and number of the requests according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity and number of the requests according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity and number of the requests according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / section 2.c) of this complexity according to Article 6(1)(f) of the GDPR / s Privacy Policy, you have the right to object to this processing. If you are unable to access or delete data through the Privacy Dashboard, you can also contact us with a request to exercise these rights by using the form found at . To verify your identity, you will need to log in with your Steam User Account to use the form. Finally, you can contact us
with a request at questions@valvesoftware.com, however, before providing access to, or deleting any, Personal Data, based on a request received via email, we will need to verify your identity utilizing the "Proof of Ownership" process described at . You may designate, in writing or through a power of attorney, an authorized agent to make requests on
your behalf to exercise your rights under the CCPA. Before accepting such a request from an agent, we will require the agent to provide proof you have authorized it to act on your behalf, and we may need you to verify your identity directly with us. Categories, Sources, Purposes, and Recipients of the Data We Collect. Over the preceding 12 months,
we have collected the categories of Personal Data described in section 3 of this Privacy Policy. The sources from which we collect and process it, are described in sections 2 and 3. Over the preceding 12 months, we have disclosed for business purposes each of the categories of Personal Data with
the categories of third parties as described in section 5. Revision Date: February 16, 2022 Page 8 Valve respects the privacy of its online visitors and customers of its products and services and complies with applicable laws for the protection of your privacy, including, without limitation, the California Consumer Privacy Act ("CCPA"), the European
Union General Data Protection Regulation ("GDPR"), the UK GDPR, and the Swiss and EU Privacy Shield Frameworks. 1. Definitions Wherever we talk about Personally Identifying Information") or that can be connected to you indirectly by linking it to
Personally Identifying Information. Valve also processes anonymous data, aggregated or not, to analyze and produce statistics related to the habits, usage patterns, and demographics of customers as a group or as individuals. Such anonymous data
aggregated or not, with third parties. Other capitalized terms in this Privacy Policy shall have the meanings defined in the Steam Subscriber Agreement ("SSA"). 2. Why Valve Collects and Processes Data Valve collects and processes Personal Data for the following reasons: a) where it is necessary for the performance of our agreement with you to
provide a full-featured gaming service and deliver associated Content and Services; b) where it is necessary for compliance with legal obligations to keep certain information under tax laws); c) where it is necessary for the purposes of the legitimate and legal interests of Valve or a third party (e.g. the
interests of our other customers), except where such interests are overridden by your prevailing legitimate interests and rights; or d) where you have given consent to it. These reasons for collecting and processing Personal Data determine and limit what Personal Data we collect and how we use it (section 3. below), how long we store it (section 4.
below), who has access to it (section 5. below) and what rights and other control mechanisms are available to you as a user (section 6. below). 3. The Types and Sources of Data We Collect 3.1 Basic Account Data When setting up an Account, Valve will collect your email address and country of residence. You are also required to choose a user name
and a password. The provision of this information is necessary to register a Steam User Account. During setup of your account is automatically assigned a number (the "Steam ID") that is later used to reference your user account without directly exposing Personally Identifying Information about you. We do not require you to provide or
use your real name for the setup of a Steam User Account. 3.2 Transaction and Payment Data In order to make a transaction on Steam Wallet), you may need to provide payment data to Valve to enable the transaction. If you pay by credit card, you need to provide typical
credit card information (name, address, credit card number, expiration date and security code) to Valve, which Valve will process and transmit to the payment service provider of your choice to enable the transaction and perform anti-fraud checks. Likewise, Valve will receive data from your payment service provider for the same reasons. 3.3 Other
Data You Explicitly Submit We will collect and process Personal Data whenever you explicitly provide it to us or send it as part of community Forums, chats, or when you provide feedback or other user generated content. This data includes: Information that you post, comment or follow in any of our
Content and Services; Information sent through chat; Information you provide when you request information or support from us or purchase Content and Services from us, including information you provide to us when
participating in competitions, contests and tournaments or responding to surveys, e.g. your contact details. 3.4 Your Use of the Steam Client and Websites We collect a variety of information through your general interaction with the websites We collect a variety of information through your general interaction with the websites We collect a variety of information through your general interaction with the websites.

our community forums against your will, please use the reporting function and the Steam help site to request its removal. 5.7 Valve may allow you to link your Steam User Account to an account offered by a third party. If you consent to link the accounts, Valve may collect and combine information you allowed Valve to receive from a third party with
information of your Steam User Account to the degree allowed by your consent at the time. If the linking of the accounts requires the linking and the transmission of information about your person from Valve to a third party, you will be informed about it before the linking takes place and you will be given the opportunity to consent to the linking and the transmission of information about your person from Valve to a third party, you will be informed about it before the linking takes place and you will be given the opportunity to consent to the linking and the transmission of information about your person from Valve to a third party, you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about it before the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking takes place and you will be informed about the linking t
of your information. The third party's use of your information will be subject to the third party's privacy policy, which we encourage you to review. 5.8 Valve may release Personal Data to comply with court orders or laws and regulations that require us to disclose such information. 6. Your Rights and Control Mechanisms The data protection laws of
the European Economic Area, United Kingdom, California, and other territories grant their residents certain rights in relation to their Personal Data. While other jurisdictions may provide fewer statutory rights, we make the tools designed to exercise such rights available to our customers worldwide. (When we talk about the GDPR in this section, we
mean the version of the GDPR that applies to you in the EU or UK). To allow you to exercise your data protection rights in a simple way we are providing a dedicated section on the Steam support page (the "Privacy Dashboard"). This gives you access to your Personal Data, allows you to rectify and delete it where necessary and to object to its use
where you feel necessary. To access it, log into the Steam support page at and choose the menu items My Account. In most cases, you can access, manage, or delete Personal Data in the Privacy Dashboard, but you may also contact Valve with questions or requests via the contact processes described in sections
8 and 10 below. As a resident of the European Economic Area or United Kingdom you have the following rights in relation to your Personal Data: 6.1 Right to require free of charge (i) information whether your Personal Data is retained, (ii) access to and/or
(iii) duplicates of the Personal Data retained. You can use the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to charge a reasonable fee (taking into account the administrative costs of providing the information or
communication or taking the action requested) or refuse to act on the request. 6.2 Right to Rectification. If we process your Personal Data is accurate and up-to-date for the purposes for which it was collected. If your Personal Data is inaccurate or incomplete,
you can change the information you provided via the Privacy Dashboard. 6.3. Right to Erasure. You have the right to obtain deletion of Personal Data concerning you if the reason why we could collect it (see section 2. above) does not exist anymore or if there is another legal ground for its deletion. For individual items of Personal Data please edit
them through the Privacy Dashboard or request the deletion via the Steam support page. You can also request the deletion of your Steam user account, you will lose access to Steam support page. As a result of deleting your Steam user account, you will lose access to Steam support page. You can also request the deletion of your Steam user account, you will lose access to Steam support page. linked to the Steam User Account and the possibility to access other services you are using the Steam User Account for. We allow you to restore your Steam User Account during a grace period of 30 (thirty) days from the moment you request deletion of your Steam User Account. This functionality allows you not to lose your account by mistake,
because of your loss of your account credentials or due to hacking. During the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the Steam User Account deletion request. After the grace period, Personal Data associated with your account will be deleted subject to section 4. above. In
some cases, deletion of your Steam User Account, and therefore Personal Data deletion, is complicated. Namely, if your account has a business relationship with Valve, such as due to your work for a game developer, you will only be able to delete your Steam User Account after you have transferred this role to another user or have dissolved the
business relationship. In some cases, considering the complexity and number of the requests, the period for Personal Data erasure may be extended, but for no longer than two further months. 6.4 Right to Object. When our processing of your Personal Data is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this
Privacy Policy, you have the right to object to this processing. If you object we will no longer process your Personal Data unless there are compelling and prevailing legitimate grounds for the processing as described in Article 21 of the GDPR; in particular if the data is necessary for the establishment, exercise or defense of legal claims. You also have
 commonly used and machine-readable format and have the right to transmit those data to another controller under the conditions set out in article 20 of the GDPR. Valve makes your Personal Data available in structured HTML format through the Privacy Dashboard as described above. 6.7 Right to Post-Mortem Control of Your Personal Data If French
data protection legislation is applicable to you, you have the right to establish guidelines for the preservation, the deletion and the transmission of Personal Data after your death in accordance with article 40-1 of the Act No 78-17 of 6 January 1978 on Information, Technology, Data Files and Civil Liberties. 7. Children The minimum age to create a
Steam User Account is 13. Valve will not knowingly collect Personal Data from children under this age. Where certain countries apply a higher age of consent for the collection of Personal Data associated with it collected. Valve encourages parents to
instruct their children to never give out personal information when online. 8. Contact Info You can contact Valve's data protection officer at the address below. While we review any request sent by mail, please be aware that to combat fraud, harassment and identity theft, the only way to access, rectify or delete your data is through logging in with
