	Statistics & Operational Research	33.8	43.1	70.8	57.0	46.8					200 / 559		8	

NOTES:
There are a different reasons why an institution may not have results in any given subject.

1. It may not offer a program
2. It may not have published a sufficient number of papers
3. It may not have attracted a minimum level of recognition through our surveys.
