

Prospect Medical Group

PGY-1 Managed Care Pharmacy Residency Program

About Prospect Medical Group

We manage the provision of healthcare to over 250,000 members through our network of primary care physicians and specialists in California. Approximately 500,000 members are handled under the parent company, Prospect Medical Holdings. Through our Coordinated-Regional-Care model, our medical groups work closely with our hospitals to provide highly coordinated, personalized care to our patients in Southern California, Connecticut, New Jersey, Pennsylvania, Rhode Island and South Central Texas.

Above all, we are committed to quality in all aspects of healthcare delivery, including:

- Striving for the best possible patient outcomes
- Maintaining the highest standards of patient safety
- Acting with integrity at all times
- Promoting open communication
- Collaborating to better serve the healthcare needs of our communities.

Purpose

The Prospect PGY1 Managed Care Pharmacy Residency is designed to build upon the Doctor of Pharmacy (PharmD) education and prepare residents for a career in managed care pharmacy. Residents will have opportunities to develop evidence-based clinical decision making, project management, analytical and leadership skills.

Clinical Experiences

- **Utilization Management** - prior authorizations for specialty injectables and infused medications
- **STAR/HEDIS** - Pharmacy Quality Programs
- **Medication Reviews**
 - Interdisciplinary Care Team/High Intensity Case Management
 - Medication Reconciliation Post-Discharge
 - Medication Therapy Management
- **Disease Management Program**, including onsite clinic for anticoagulation, diabetes, CHF, COPD, CKD

Additional Opportunities

- Specialty medication management
- Clinical drug evaluation
- Accountable Care Organization (ACO)
- Pharmacy and Therapeutics (P&T) committee participation and presentations
- Residency project
- Preceptorship experience
