Grange Hill

Grange Hill is a British soap opera for teenagers. It takes place in a school called Grange Hill, and it started in 1978. First it was on BBC TV channel (BBC1), but in 2007 they moved it to a special children's channel (CBBC). The soap opera ran for thirty-one seasons and it finished in 2008. It had 603 episodes.

The programme had stories about the usual problems that teenagers have. Grange Hill tried to show the real problems that students have. The plots showed themes like boyfriends and girlfriends, trouble with parents and bullying. Some parents did not like some of the stories and they complained about the programme. And when the series showed a story about drugs and other bad behaviour, some parents stopped their children watching the show.

However, teenagers loved the stories. They thought that it really shows the real school life.

There are fourteen books about Grange Hill, too. The first book is a collection of short stories. The others are novel. There even was a comic in a magazine. There was a website grangehill.com, too, but it does not work any more.

And in 2008, BBC published the first DVD with Grange Hill. The series was really famous!!!
