PASTOR'S PAGE

Some years I spend the day after Easter writing thank you notes. Many, many thank you notes. This year there are too many people to thank – I have simply lost track due to the magnitude of participation! What a Lent! What a Holy Week! What an Easter! So many people played a role, lent a hand, dove in to the season... it was wonderful. Thank you all.

We pause for a small breath, but church goes on with a full calendar through Father's Day, special days for graduates, for mothers, for confirmands, for children, for fathers. The talent show, the annual meeting, on we go...

Church is like that: a place of tradition and newness, a place where we strive to notice our lives and to walk the path. Church is like that: a place where you leave it all on the field for Holy Week and Easter and then check out the calendar for what is coming next. See you in church!

RP

p.s. I will be working on layout for the church book in the next few weeks – if you have not gotten me your reflection it may not be too late – send it to me as soon as possible!!

Christ Church is a vibrant and active church. Don't miss out.
All are Welcome!

CHRISTIAN EDUCATION YOUTH NEWS

April was an exciting month for CE!

I'd especially like to thank Brenda Wyss, Matt Howard, Liz Vann, Michelle Young-Ferguson, and Tammy Blackler for all their help in the classrooms during services.

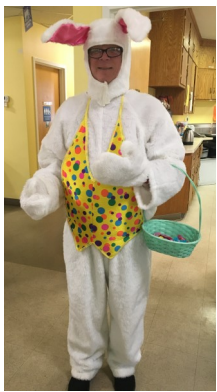

We had the Easter egg hunt with 12 kids who attended! They were able to do Easter crafts, hunt for eggs, and meet the Easter bunny.

With the teens this month we were able to get a ping pong table for the fellowship hall.

Five confirmand youth with four adults went to an open house at the Sharon Islamic Center, Sunday afternoon, and learned some tidbits about our neighbors.

In May, we will be winding down with our curriculum in Sunday school and focusing on what we will be doing for children's Sunday, which is June 2nd! You won't want to miss it!

Notes from Murray

As we approach summer, hearts lighten as vitamin D becomes more prevalent in our bodies! We have been through the bleak midwinter and have emerged to the verdant flora of a New England spring. All of the earth shows its talent to us through instinct and the natural order of things. So too, do we show our talent every so often and that time is now. May 5th is the annual talent show and we have so many great acts performing! Come and see your friends, hear things from long ago or the very recent past. You might hear "Who's On First?" the famous baseball skit by Bud and Lou. You might hear Broadway tunes, the Beatles, comedy, classical music and the list goes on! Tickets are \$10.00, but if you can't afford it, please come anyway and give what you can! All proceeds go to the ARTS Fund.

A million thanks go to all of the hard working musicians who took part in the services of Holy Week! They devoted many hours of preparation to make our services special and meaningful. If you see a church musician, hug them; tell them you appreciate their efforts. Doug Anderson, Carol Bradford, Angeliza Campbell, Bill Cockshaw, Luanne Cockshaw, Angela Colby, Donna Costa, Beth Eaton, Jessica Gross, Donna Hefler, Henok Kaptimer, Karl Koza, Sue Koza, Leigh-Ann Larson, Leo Larson, Tim McIntyre, Adam Mitchell, Don Myers, Luana Rich, Bill Serjak, Jay Sparling, Lisa Sparling, Shirley Strangis, Emily Swisher-Rosa, Jessica Trainor Tasucu, Nicholas Colby, Nora Deyoe, Lucas Flannigan, Max Flannigan, Eva Lomba, Sadie Lomba, Sarah Sparling, Levi Swisher-Rosa, Ronan Cords, Xander Cords, Sofia Shelley-Wyss, Serenity Young-Ferguson, Jillian Larson.

As we approach summer, we look forward to many of you providing music for the summer services. A list will be posted on the table. If you have interest, please sign up. Murray will get in touch with you.

Sincerely, Murray

Exciting News from the Finance and Property Committee

Our building is now 25 years old. With old age come a few expenses. We need a new roof and have come up with a long-term plan to pay for the roof, and reduce our electric bill by a significant amount. For the last six months, we have been taking estimates for replacing our roof, and examining different options for solar power on our large south facing roof. By going solar, the savings on our electric bill, combined with non-tax-based incentives, (we are a non-profit entity, and cannot take tax relief) will pay for both the solar panels and the roof within 9 years. After the roof and panels are paid off in 9 years, we will continue with energy bill savings, which will significantly reduce the money that needs to be budgeted each year to electricity costs.

We will present the full plan to the congregation at our annual May meeting. We will then ask for a congregational vote to approve the proposal to invest in a new roof and invest in the solar project.

If you have any questions at all regarding the upcoming proposal from the Finance and Property Committee, please do not hesitate to ask.

Thanks,

Matt Howard

FROM THE ORGAN COMPLETION COMMITTEE:

PROJECT PIPES 620 by 2020

We are happy to announce that the contract to complete the organ by installing the Choir Division was signed on Thursday, April 18. Mr. Bill Czelusniak of the firm, Czelusniak et Dugal, drove here from Northampton MA, to meet with some members of the OCC and those responsible for signing the contract. We had time to discuss details and questions, exchange tax documents, and then proceed with signing. Work will begin soon—with the firm's technicians coming to check all the engineering specs.

The next phase will involve the organ builder working on the new wind chest for the Choir Division. We plan to keep you updated with photos and news as the project moves along.

COLLECTION

Hello Church Family,
The Mission Committee will have a project with a pink plastic basket in Fellowship Hall for new sample size, unopened shampoos, soaps, lotions and the like. You can get these when you stay at a hotel or motel this summer. In the fall we will donate these to the local homeless shelters. Let us see if we can fill the bowl a few times this summer.

Thank you,
The Mission Committee

Reminder: Father's Day is June 16th. The special gifts for this event have been ordered. Dad's, Grand Dads come to Church on Father's Day to receive your gift. Anyone can be a father, but it takes a special person to be a Dad.

- 2 lining rectangles 11" x 9"
- 2 batting rectangles 11" x 9"
- 1 feature fabric 10" x 6" OR 10 -12 strips 2 1/2" x 6"

There will be machines set up for you to use.

June is our annual salad luncheon held in fellowship hall. Sign up sheet for salads will be at May meeting. We will have show and tell but no sewing at the June meeting.

Meals on Wheels placemats: I turned over 48 more placemats making our total 411. Just 189 left to go to reach our goal of 600. We will still work on placemats just at a slower pace.

RP's quilt:

Chevron blocks will be sewn over the summer. We will decide on color placement at September meeting. Blocks will then be sewn together and top, batting and back will be brought to longarm quilter. We have a date with her in October. I have chosen Jill Webster in North Easton. She has done several quilts for me and I have been happy with her work. We should have the quilt back in a month. This will allow time to bind the quilt and attach label prior to Jan. 2020. If all goes to plan we will all help attach binding at Nov or Dec meeting. I need your thoughts on having church congregants sign the quilt.

Greetings from the Vitality Committee

The Vitality Committee held their annual Scholarship Dinner on Saturday April 6th. It was a very successful evening of fundraising. The evening raised over \$2000 that will be given to our members who are continuing their higher education.

Special thanks go out to Chris Madden and John Hagberg for collecting ads for the Scholarship Ad Book, and to Deana Colby for putting the book together.

Thanks also to Bill Cockshaw, who prepared a delicious five course meal, with Chicken Picatta, and Penne pasta with red sauce as the main course.

Sue Koza cooked the Italian Wedding soup. Thank you so much to Sue.

We also thank Lisa Landerholm, and David and Lorraine Wilcox for all their hard work.

This evening would never had been able to happen without the hard work and dedication of the members of the Vitality Committee. Their tireless efforts in all the preparation, and then clean up, made this wonderful evening possible.

The members of the committee are:

Keith Allen, Deana Colby, Darlene Gilson, Tricia Gross, Diane Landerholm, Nancy Simonis, and Loren Stott.

Keep an eye open for information about a Dine at Seven with Seven Cookout event happening this Summer.

MISSIONS MATTERS

As always, thank you for your generous support! Based on the pledges made, the Missions Committee has made allocations to recommended and worthy organizations. The report of these local, national and international charities we support will be provided at the May Annual meeting.

The Missions Committee is working on several spring activities which we want to bring to your attention. The Church World Service (CWS) Depot Day is right around the corner and Christ Church is again a regional hub for area church collections. With donations and Missions funds, Christ Church itself will be donating to Church World Service 44 school kits, 96 hygiene kits, and 8 hurricane bucket kits - Well Done!

Also, again this year Missions will combine our outreach for support of the CWS Blankets and Tools ministry given in recognition of Mother's Day and Father's Day. Mission members will be in the narthex for 5 Sundays between these special days for your donations.

Mass Memories Road Show

On May 18th from 10 to 3 Brockton citizens, businesses, and nonprofits will be able to share their story at the "Mass Memories Road Show". A trained team of historians and archivists from UMass Boston will be on hand at the Main Library. Brocktonians are asked to bring in photos or mementos that tell their personal experiences of Brockton. The items, along with explanatory narratives, will be digitized. 1 year, or 100 years, from now, the story of Brockton will be online, available for future generations, and told in our own voices.

Will you help us spread the word to your constituents to come and tell their stories? And, most importantly, will YOU come and tell the story of YOUR institution's legacy and work in our community?

Folks will be able to come in any time between 10 and 3, share their information, have their item scanned, and get it back on the spot. They will be the historian of their own story – and no worries about leaving a treasured item, whether a photograph or keepsake, behind.

To date, the project has digitized more than 11,000 photographs and stories from across the state, creating an educational resource of primary sources for future generations.

The Mass. Memories Road Show is supported in part through the generosity of the Patricia C. Flaherty '81 Endowed Fund at the University of Massachusetts Boston. To learn more about the program, visit <https://openarchives.umb.edu/digital/collection/p15774coll6>

The City of Brockton is honored to be one of only three communities chosen this year to have a part from the Road Show. To learn more about the Brockton event, contact Pat Monteith at the Brockton Public Library, email address brocktonlibrarymaker@gmail.com.

Please help us make this event a wonderful shared community experience of pride in our amazing Brockton legacy and history.
